DIRECTOR’S REPORT 2020-2021

Shri S. Ramadorai, Chairman, Governing Board; our esteemed Chief Guest for today’s Convocation
Dr. K. Kasturirangan; Members of the Academic Council and of the Governing Board; students, staff and faculty; parents of the graduating students, and all other guests connecting with us virtually:

I welcome you all to the 81st Convocation of the Tata Institute of Social Sciences (TISS). As the Director of TISS, it is my privilege and honour to present before you the Institute’s Annual Report for the year 2020-2021.

Almost 20 months since the COVID-19 pandemic began, we continue to be challenged by it and consequently, yet again the Annual Convocation, the much awaited event for graduating students, is being hosted virtually. The silver lining is that the pandemic failed to derail our academic journey.
ACADEMIC CONTINUITY DURING COVID-19 PANDEMIC

Like any other educational institution, TISS too was impacted by the situation that emerged out of the COVID-19 pandemic. The Institute had to suddenly close its operations of physical classes and other direct engagement with students from 22 March 2020. However, faculty members and the IT team worked together and developed a plan for an IT-enabled delivery and management of academic functions. A TISS Online Learning (TISSOL) platform was created to facilitate transaction of online teaching integrated with Zoom application for synchronous classes and Turnitin plagiarism check for academic submissions. Several rounds of trainings were provided to faculty members and administrative staff to familiarise them with TISSOL functionalities and operationalisation. Remote access to digital resources was made available along with necessary support to ensure that the learning resources not available to students were provided through the inter-university lending system facilitated by the Sir Dorabji Tata Memorial Library.

Special provisions were made for online submission of dissertations and theses by students and research scholars on the student management system along with interface for guides to evaluate the theses/dissertations online. Guides were also able to evaluate the theses/dissertations online, thus facilitating degree conformation for a large batch of students. Similar provisions were made for other academic submissions as well on TISSOL.

Further, each academic programme adapted their courses to the online mode. For instance, the School of Media and Cultural Studies had to conduct their filmmaking and production courses in the online mode, without the facility of using cameras and editing equipment in the School. Faculty members worked remotely to mentor students online and encourage the use of accessible equipment and resources to make short films as part of their course work. The students made public service announcements and short documentaries using their mobile phones. The Institute provided laptops and bore data charges to support underserved students and also reimbursed the students for hiring cameras, where required, and computers for editing films in their respective locations.

Admissions for the 2021-2022 academic year also went online with personal interviews conducted via Zoom application and with a fully in-house developed score-entry module on ERP for a foolproof and transparent marking system. Finally, the Convocation 2020, and now 2021, is being done virtually with a technology enabled platform.
COVID-19 SUPPORT AND OUTREACH

That the COVID-19 pandemic and the lockdown has resulted in an unprecedented disruption to every aspect of life and living across the globe is an understatement.

Following the tradition of responding to disasters, TISS reached out with its multi-dimensional support including accommodating the health staff of the Brihanmumbai Municipal Corporation (BMC) in the guest house, and offering hostel space for quarantine purposes. From April to September 2020, 90 hostel rooms in the Naoroji Campus at Mumbai were offered to the BMC as quarantine facility. Thirty rooms in the Guest House on the Main Campus were offered to BMC doctors, nurses and officers in April 2020, and this arrangement continues till date.

The Institute conducted two COVID-19 checkup camps in August 2020. A vaccination drive was organised in January 2021 for faculty, staff and their families.

A special issue of The Indian Journal of Social Work titled, “Social Work in Emergencies: Learning from the COVID-19 Pandemic” was published in April 2021. The eight articles in the Special Issue delineate the gaps in our preparedness, capacities, knowledge and skills to tackle the pandemic and suggests ways to address the gaps.

As always, our Field Action Projects were at the forefront of COVID interventions, some of which are highlighted below:

- The Special Cell for Women (School of Social Work) reached out to over 10,000 vulnerable persons affected by the pandemic (during and after the lockdown) across various states via telephone as well as in-person. In Maharashtra, ‘Malaa Bolaycha Aahe’ – a helpline was launched in collaboration with the Women and Child Development Commissionerate, Government of Maharashtra. Between April 2020 to March 2021, the Special Cell responded to 15,313 calls.

- iCall (School of Human Ecology) – the telephone based counselling helpline – ran a dedicated COVID helpline from April to December 2020 to address mental health concerns of frontline workers and attended to 3,892 calls from 29 states and union territories of India, as well as from two other countries.
ANNUAL REPORT 2020–2021

Inauguration of COVID-19 Campaign Rally by Ms. Rupali Aawale-Dame (Additional Collector) and Dr. H. Wadgave (DHO, ZP). Also present are Mr. Dayanand W. (Co-ordinator, Cohesion Foundation), Dr. Gunvant Birajdar, Mr. Ganaesh Chadre, Mr. Shankar T., Mr. Anand B., Ms. Sonali J., Ms. Kiran K., Mr. Manohar D. and Ms. Shubhangi K. of TISS.

Virtual Inauguration of the TISS COVID-19 Counselling Centre by Mr. Kaushik Divegaonkar (District Collector, Osmanabad) in the presence of Prof. Shalini Bharat (Director, TISS) and Prof. Ramesh Jare (Dean and Campus In-charge, TISS Tuljapur Off Campus).
from women asking for help to stop violence against them. The Special Cell also extended psychosocial support to 25,000 migrant workers at transit camps set up by District Collectors. In a special initiative set up by the District Collector of Latur, seven social workers of the Special Cell provided round-the-clock telephone support and counselling to 75,000 Covid patients and their family members through the District Collector’s helpline.

- **Prayas** (School of Social Work), the national convenor of the National Forum on Prison Reforms, intervened with a PIL on COVID Contagion and Prisons in the Supreme Court and made several suggestions to release prisoners on bail to reduce overcrowding. Prayas’ advocacy with the Maharashtra Prison Department also led to prisoners being allowed to ‘video call’ their family members and be in contact with their lawyers via phones during the lockdown period.

- **TANDA, Udaan and Pragati** (all led by faculty from the School of Social Work), and **Transforming M-Ward** (School of Habitat Studies) continued their community-based relief measures including distribution of food grain packets, and other essential items and medicines in their project areas.

- **The Child Protection Fellowship Project** (School of Social Work) conducted awareness sessions on the spread of COVID-19 among children and offered psychosocial care through telephone counselling.

- **Sukoon** (School of Human Ecology) facilitated online support groups for individuals reporting relational distress and also conducted a series of workshops to build capacities of mental health professionals in addressing issues of couple and family conflicts and well-being.

- Community volunteers from **Koshish** supported people at high risk (pregnant women, new mothers, infants and children and people with terminal diseases) in Delhi and Mumbai with food and other essentials and spread correct information on the nature of COVID-19 and about Covid vaccination. Over 2,40,000 cooked meals were provided/facilitated by Koshish over a span of six months.

The **School of Media and Cultural Studies** (TISS Mumbai) created animation videos to create awareness on COVID-19: (i) **Dealing with Disinformation and Fake News**, a set of slides and videos highlighting the pitfalls of consuming disinformation during the pandemic (English and Hindi); (ii) **Our Health in Our Hands**, a set of four informational animation videos covering preventive measures to avoid the Corona virus infection and coping strategies to deal with the lockdown (English and Hindi); and (iii) **Understanding Psycho-social Wellbeing During COVID-19**, an animation video for iCALL (In English and Hindi). All the videos were widely used in several Mumbai wards.

The **Tuljapur Off Campus** was an active partner with the District Coordination Committee providing support to five villages under Unnat Bharat Abhiyan. The Off Campus also extended support to several hundred migrant labourers housed in three relief camps in Tuljapur Block by providing regular counselling sessions and ran a Counselling Helpline for COVID-19 patients and their families. The social workers, who were trained by iCALL (TISS Mumbai), handled nearly 5,000 calls. In the **Guwahati and Hyderabad Off Campuses**, faculty and students undertook COVID-19 related research, policy analyses and data trackers, community awareness drives and fund raising for affected population groups.

As an educational response to COVID-19, the **Centre for Excellence in Teacher Education** (CETE) reached out to teachers, teacher educators and students to cope with the challenges posed by lockdown and school closure. A wide range of high quality educational resources were created/curated and made available online in English and other Indian languages. To help teachers adapt to and build skills for technology enabled teaching-learning, a free MOOC course — COOL-Technologies for Online Learning in School Education — was launched in which more than 1,400 teachers and educators got enrolled. The COOL initiative was seeded by Tata Trusts and supported by the Pandit Madan Mohan Malviya National Mission for Teachers and Teaching.
CONTRIBUTION TO NATIONAL PROGRAMMES AND POLICY MAKING

Making People and Systems “Saksham”
The Saksham project funded by the Global Fund since 2008 supports the Ministry of Health and Family Welfare in its fight against HIV and TB. It has shaped the psychosocial support programme for HIV and Tuberculosis (TB) in the country.

Given Saksham’s convergence with the public health system, its activities continued without a single day’s break during the COVID-19 lockdown. Saksham counsellors used virtual spaces to provide continued counselling during the lockdown and took immediate and active steps to connect nearly around 1,000 migrated drug resistant (DR) TB patients to the nearest TB centre in their hometowns, thus ensuring treatment continuity. Recognising that nutrition is essential for TB patients, the Saksham Counsellors personally mobilised more than Rs. 55,60,885/- for providing food grains to the neediest patients. Overall, Saksham has now a registered total of 85,000 DR TB patients, out of which 38,000 old patients were provided with follow-up treatment during the period under review.

Saksham is also a partner in the Jan Andolan Programme – the clarion call made by the Hon’ble Minister of Health and Family Welfare, Mr. J.P. Nadda, to end TB by 2025. Saksham Pravaah Counsellors are recognised as “COVID Warriors” and have been lauded for their commitment and role during the pandemic.

Incubation Centre
The Incubation Centre at TISS is the official knowledge partner of one the most prestigious incubation programmes — Social Innovation Immersion Programme (SIIP) of the Biotechnology Industry Assistance Council (BIRAC), Department of Biotechnology, Government of India. Under this programme, the Incubation Centre will guide and mentor 140 biotechnology start-ups from 14 Technology Incubation Centres across the country over a period of three years. The first cohort of 63 biotech innovators is nearing its successful completion despite the tough challenges posed by the COVID-19 pandemic and the selection of the next cohort is underway.

The Incubation Centre is partnering with Ministry of Tribal Affairs and the Tribal Cooperative Marketing Development Federation of India Limited (TRIFED) to implement the Pradhan Mantri Van Dhan Yojana (PMVDY) in Maharashtra. Under this programme, the Incubation Centre will train 1,600 members of the tribal community for skill upgradation and capacity building, to develop an enterprise model based on the MFPs (Minor Forest Produces) they collect. The training will focus on sustainable harvesting/collection, primary processing and value addition, packaging and business plan development.

India Justice Report
Prayas (a field action project of the School of Social Work, TISS Mumbai) was one of the partners of the second edition of the India Justice Report. Released in January 2021, the Report compares and tracks the rise and fall in each state’s structural and financial capacity to deliver justice, using the latest available government figures. Supported by the Tata Trusts, Prof. Vijay Raghavan (Prayas Project Director) was on the Steering Committee of the Report and one of its authors.

National University Students’ Skill Development Programme
Between 1 June 2020 and 31 May 2021, over 200 webinars were organised by the National University Students’ Skill Development Programme (NUSSD) to help students overcome the challenges of the pandemic and develop soft-skills from the comforts of their home. Noted domain experts conducted these sessions and this effort has benefited over 4,800 students across Maharashtra, Chhattisgarh, Gujarat, Jharkhand and Rajasthan. NUSSD launched Nayi Udaan — an initiative to bring out the extraordinary stories of students who embarked on their career after receiving training through the NUSSD programme.

TISS signed an MoU with Schaeffler, a leading German auto-component maker to implement the NUSSD programme in Vadodara, Gujarat and Pune, Maharashtra. Under the project, 350 students were trained during 2020-2021 at Vadodara (Gujarat), and upon this successful completion, Schaeffler has decided to offer the programme in Pune (Maharashtra), as well.
Appreciation and Felicitation of the Saksham Team by M-East Ward Office of the BMC as part of World TB Day Celebrations on 24 March 2021.
COLLABORATIONS AND PARTNERSHIPS

Despite the challenges due to the COVID-19 pandemic, TISS created and strengthened various partnerships.

- The Social Incubation Centre at TISS and the Incubation Forum of the Shri Govindram Seksaria Institute of Technology and Science (SGITS) announced a joint incubation call for enterprises with ideas to counter COVID-19.

- A joint collaboration of FICCI, TISS and Azim Premji University prepared a policy proposal called the Udyog Sahayak Enterprises Network or USENET, a support system to ensure ease of doing business for micro and small entrepreneurs. This is in resonance with the Institute’s mission of fostering socially relevant entrepreneurship.

- As part of National University Students’ Skill Development (NUSSD) programme, TISS signed an MoU with Schaeffler, a leading German auto-component maker for training students at Vadodara and Pune.

- TISS continued to have strong partnerships with universities across the world and signed 10 MoUs and agreements, including with Monash University, École Nationale d’administration Publique, Essex University, Masaryk University, The Hertie School, Badamasi Babangida University, The Open University of Tanzania, Royal University of Bhutan as well as Erasmus+ and Roskilde University. The Institute also received a grant from UKIERI and Study in India to conduct another virtual Customised Study in India Programme (CSIP) with University College London in Feb 2021 – this time on the theme of ‘Sustainable Development’.
TISS has a very active internationalisation programme coordinated through the Office of International Affairs, which nurtures multi-faceted and multi-disciplinary global collaboration to facilitate this.

In 2020-2021, as there was no possibility of international travel of students, TISS joined some of its partner universities in offering virtual semester exchange programmes. We welcomed three semester exchange international students from Sciences Po, Lille and from the Network on Humanitarian Action (NOHA). We also had TISS students participate virtually in semester exchanges at Macquarie University and The University of Sydney.

Additionally, 19 new full-time international students were enrolled in the Institute’s various teaching programmes online.

The first virtual Customised Study in India Programme titled ‘Introduction to Contemporary India’ for students from international partner universities and institutions ran from 30 November to 9 December 2020. Through the 7-lecture programme, students were exposed to key themes and debate relevant to present day India, including themes of diversity in India, environmental issues, public policies, gender, economy, and forced migration. The customised programme was very well-received with 31 students from 11 universities participating in it.
The vision of the Centre of Excellence in Corporate Social Responsibility (CECSR), formerly known as the National CSR Hub, is to comprehensively support public and private sectors in carrying out their CSR activities through social impact assessment of projects, knowledge creation, capacity building of various stakeholders associated with CSR, and empanelment of NGOs and CSOs. The CECSR considers the social, economic and environmental dimensions of development to be interconnected and recognises the tremendous potential in multi-stakeholder partnerships that can be leveraged through CSR initiatives to achieve positive social impact.

The CECSR has successfully implemented over 100 projects so far by working with a variety of stakeholders in the field of CSR. Being located within a community-connected university, the CECSR has the unique advantage of drawing upon the expertise of faculty and leveraging the strengths of the Institute’s field-based networks to provide high quality service and relevant, contextual and locally embedded solutions to development challenges.

During 2020-2021, the Centre was approached by 32 different companies to carry out various CSR activities in the field of research, training and capacity-building activities. Among them 13 projects with companies like the Airport Authority of India, CLP India, UTI – Asset Management Company Ltd., National Stock Exchange, Hindustan Aeronautics Ltd., Southeastern Coalfields Ltd., Hindustan Colas Pvt. Ltd., CII Foundation, Western Coalfields Ltd. and JM Financial Foundation are ongoing; the remaining 19 are at the proposal finalisation stage.

The ongoing projects are spread across different states of India and the CECSR is engaged in conducting social impact assessment, monitoring and evaluation, social auditing, baseline surveys, and rapid assessment studies.
AWARDS, FELLOWSHIPS AND RECOGNITION

The students, faculty and alumni of TISS continued to make us proud.

- **TISS won Gold** in the Education Category at the second edition of the Digiplus Awards 2021. The awards recognise brilliance in digital marketing and the Gold was presented to TISS for “Big Results on a Small Budget: How TISS Achieved 14X ROAS”. The award recognises the use of creative digital marketing in advertising modular courses leading to the launch of Reflective Teaching with ICT (RTICT) as an open offering for teacher professional development.

- **Dr. Priyanka Dixit** (School of Health Systems Studies, TISS Mumbai) received the Prof. K.B. Pathak Award for best paper published in Population Studies at the 41st Annual Conference of IASP held during 28-30 November 2020. The award is given for the best paper in the field of Population and Health with significant contribution in terms of methodological innovation.

- **Dr. Bibhu Prasad Nayak** (School of Livelihoods and Development, TISS Hyderabad Off Campus) received a grant from the Norwegian Research Council for a collaborative project to study riverine rights in India, Columbia and New Zealand.

- **Dr. Himanshu Dhaka** (School of Management and Labour Studies, TISS Mumbai) received the Fetzer Institute Scholarship to attend the Management, Spirituality and Religion (MSR) programme at the 2021 Academy of Management.

- **Archana Soreng** (Batch of 2016-2018, M.A. Regulatory Policy and Governance, TISS Mumbai) was nominated to the UN Secretary-General’s Youth Advisory Group on Climate Change. This is an effort by the United Nations to bring more young leaders into decision-making and planning processes, as the UN works to mobilise climate action as part of the COVID-19 recovery efforts.

- Four students (now alumni) of the 2018-2020 batch of the Master of Public Health in Social Epidemiology (School of Health Systems Studies, TISS Mumbai) won the Second Prize at the 2020 edition of The Geneva Challenge. The theme was to address the “challenges of social inclusion”. Minal Madankar, Pooja Sawale, Harshal Shirodkar and Anukriti Chhabra, proposed a solution for the inclusion of tribal women residing in remote parts of the country by augmenting technology in the existing maternal healthcare system. Five teams out of 150 teams were selected — one each to represent Africa, Asia, Europe, North America, and Oceania & South America — to present their project, defend answers and answer practical feasibility questions from the jury of expert representatives of academic, governmental and private sector backgrounds.
• **Charul Verma** (Batch of 2020-2022, M.A. Public Policy & Governance, TISS Hyderabad Off Campus) presented the winning research paper for ECONOVID 20/20 organised by the Centre for Advanced Studies in Policy Research, 5-7 June 2020.

• **Debarati Choudhury** (Batch of 2020-2022, M.A. Public Policy & Governance, TISS Hyderabad Off Campus) was selected for a special mention at the Monash University Graduate Research Symposium, Australia, in October 2020 for her paper on “Violence and Resistance: Situating Agency in Higher Education”.

• Our Master’s degree students in Analytics from TISS Mumbai are also winning many awards.

  Vivek Sharma, Ashwini Sanku, and Barun Kalita secured the First Runners-up position at Analytica 2021 competition organised by SJMSOM, IIT-Bombay; Satya Praveen Meesala and Shradhha Bhatia were the First Runners-up at the Dataverse 1.0 competition organised by Shri Ram College of Commerce, Delhi; and Shubham Singh, Arshiyaa Singh and Prateek Mamgain were the First Runners-up in the Case Competition organised by NoBroker.com and IIM, Rohtak.
Institutional Rankings

The Institute participated yet again for various national and international rankings such as NIRF, ARIIA, Times Higher Education-Impact Ranking, QS Asia World University Ranking, MDRA-India Today Survey of Best College and University, and Gender Advancement for Transforming Institutions (GATI).

It is a matter of pride that for the fourth year in a row, the School of Social Work of TISS Mumbai, was rated the best social work programme for the year under the MDRA-India Today College Survey.

The NIRF ranked TISS 54th overall and 34th among universities.

Under the Times Higher Education (THE) Impact Ranking – which assesses universities against the United Nations’ Sustainable Development Goals (SDGs) – TISS is ranked among the top 200 for SDG 8, the top 301 for SDGs 1, 2, 5, 7 and 15, and the top 400-600 for SDGs 3, 6, 9, 10, 11, 12, 13 and 16. These rankings indicate the Institute’s comprehensive engagement with all, but two SDGs.
RESEARCH AND DEVELOPMENT

As a premier Institute in the field of Social Work and Social Sciences, TISS has a commitment to the highest standards of ethical research and practice. Research projects carried out in TISS are often with the vulnerable and marginalised sections of society and these projects are sensitive to issues of social justice and equity. Research findings have been used for field action, awareness raising, and policy advocacy at both the national and international levels on a spectrum of social, economic, and environmental issues.

The Office of the Deputy Director seeks to work towards this by anchoring Institutional Bodies (Institutional Review Board and Research Council); providing a forum for organising and disseminating of research work done by research scholars and faculty though the TISS Working Paper Series; collaborating with publishing houses and supporting the development of manuscripts and papers; providing facilitative support for the Direct Ph.D. Programme and the M.Phil. Programme; providing opportunities to research scholars to join the teaching and research work at the Institute; and by extending capacity-building support to research scholars so as to strengthen their research work. All this is geared towards achieving a strategic focus in terms of current research endeavours, to promote an environment that facilitates and sustains high standards in research, and to develop an agenda for future knowledge development at TISS.

Anchoring Institutional Bodies

The Institutional Review Board (IRB) reviews, approves and monitors all types of research proposals involving human participants with a view to safeguard the dignity, rights, safety and well-being of all actual and potential research participants. During 2020-2021, six IRB meetings were organised. Forty-two new proposals were submitted for ethical clearance of which 30 proposals were granted clearance.

The Research Council (RC) allocated funding to support social science research by TISS faculty on critical social challenges related to COVID-19 in 2020-2021. This call encouraged research studies which investigated COVID-19 from an inter-disciplinary and transdisciplinary perspective and 10 COVID-related research projects were sanctioned by the RC.

In addition to the COVID research projects, the RC is funding five other research projects on the themes of employability skills and library science curriculum, psychotherapy supervision, petty traders, field work supervision, and saving and credit associations in life of slum dwellers.

The Indian Journal of Social Work

During 2020-2021, four issues of the The Indian Journal of Social Work were uploaded, published and added to its repository and currently, it hosts 82 Volumes (325 Issues) published since January 1940 to January 2021. Thirty-six articles were published during the current year.

The USW is keeping up with the changing landscape of academic publishing and networking. It is indexed in SCOPUS and hence, included in Group II of UGC CARE List: https://www.scopus.com/sourceid/29759. It is also indexed in the Indian Citation Index (ICI) since August 2019, and is in the process of including its metadata in J-Stor.

Capacity-Building Support to Research Scholars and Faculty

Regular workshops and and capacity building interventions are organised on various themes for scholars and faculty. During 2020-2021, 16 capacity-building interventions were conducted for research scholars and faculty. The capacity-building interventions are offered to all scholars irrespective of their disciplinary backgrounds.

Modular Coursework for Scholars of Direct Ph.D Programme

A key component of the work of the Research and Development Centre is to plan, coordinate and provide support to the Modular Coursework for Direct Ph.D Scholars. TISS recognises these scholars as a valuable asset to the Institute and society as they bring with them a wealth of indigenous and practice-based knowledge and skills and their research has the potential to deepen understanding of the theory-practice relationship. The first modular coursework was conducted from 11 January to 1 February 2021 and the second modular coursework was conducted from 5-26 April 2021.
Research

During 2020–2021, 178 research and documentation projects were ongoing at the Institute; 65 projects were initiated in the year under review. Of these, 14 were co-anchored across different Schools/Independent Centres/Campuses.

The School of Health Systems Studies (TISS Mumbai) conducted a national-level study on the Mental Health Impact of COVID-19 Pandemic amongst the General Population in collaboration with Stony Brook University, New York, USA. This study makes an attempt to explore the initial mental health impact of COVID-19 among general public by using Patient Health Questionnaire (PHQ9) instrument and recommended mental health strategies during COVID-19 pandemic crisis.

Dr. Murali Krishna Mallepaku (TISS-Azim Premji School of Education, TISS Hyderabad Off Campus) is the Principal Investigator of “Lived Experiences of Migrant Workers during COVID Lockdown: A Study of Narratives of Reverse Migration from Telangana to Home States”. This study is supported by TISS Research Council and attempts to gain a deeper understanding of the migrant workers’ lived experiences and the social and economic impact of the COVID-19 lockdown.

The Centre for Excellence in Teacher Education (CETE) received research funding from the Ministry of Human Resource Development, National Human Rights Commission, Cognizant Foundation, Azim Premji University, Department of State Educational Research and Training, Karnataka, UNESCO, State Council of Educational Research and Training (SCERT), Uttar Pradesh, The Open University, UK, and Sir Dorabji Tata Trust.

Field Action Projects

There are 35 Field Action Projects (FAPs) currently active in the Institute. The projects address a wide range of issues, including violence against women, rights and rehabilitation of persons being processed by the criminal justice system and children in conflict with law, homelessness and beggary, child and adolescent mental health, access to health in rural and tribal areas, corporate social responsibility, sustainable livelihood, food security, adult education, and health among others.

Publications

Our M.Phil. and Ph.D. Scholars had 62 publications in journals, books and newspapers.

A special mention needs to be made of the Handbook of Education Systems in South Asia edited by Prof. Padma Sarangapani (CETE) and Prof. Rekha Pappu (TISS-Azim Premji School of Education, TISS Hyderabad Off Campus). It is the first work to provide a comparative analysis of education systems of countries in the South Asian region that have a shared history and culture of over 2,000 years.

A few new themes were explored like the book on In Search of Business Models in Social Entrepreneurship: Concepts and Cases edited by Prof. Samapti Guha and Prof. Satyajit Majumdar (School of Management and Labour Studies, TISS Mumbai). The book discusses different innovative business models adopted by social enterprises to bring about social change in terms of creating capabilities among the marginalised.

Faculty also produced important national guidelines. Counselling for Adolescents: A Learning Manual was developed by the iCALL team (Dr. Aparna Joshi, Ms. Tanuja Babre, Ms. Ayesha Sharma and Ms. Ritika
Books authored/edited by TISS Faculty
Books authored/edited by TISS Faculty
Kallianpur) in collaboration with UNFPA and NHM, Rajasthan. The Manual comprises seven protocols addressing themes of general counselling, and also counselling for relationship concerns, academic concerns, substance abuse, violence, sexual and reproductive health, and suicide among adolescents and young people. The protocols are intended to be brief, yet comprehensive roadmaps for counselling adolescents and young people.

Seminars, Conferences, Workshops and Training Programmes

Faculty organised and participated in nearly 1,000 national and international webinars, workshops and lecture series, among others during the year – an overwhelmingly high number – on wide-ranging themes of human resources management, leadership development, climate concerns, mental health and human development, social accountability, micro-planning, statistical methods, capacity-building and development, Dalit and tribal issues, disaster management, education, health, human rights, life skills, management and organisation development, research methods, and training of trainers, among others.

The Centre for Excellence in Education (CETE) collaborated with the School of Human Ecology at TISS Mumbai to offer their Back to School programme, which was aimed at approximately 200 teachers, school counsellors and principals. This free-of-cost webinar-cum-MOOC programme ran from July to September 2020.

Educational Design 2020, the annual design thinking workshop for schools was conducted in the virtual mode from 25 September to 31 October 2020 by CETE in collaboration with the MIT team. This workshop was enabled through the support from SPARC, GoI and Tata Trusts grants. The workshop series was conducted in a blended mode with 10 synchronous sessions and asynchronous tasks wherein 24 participants (12 teams) from diverse teaching contexts across India participated in this workshop series.

The TISS Hyderabad Off Campus organised a virtual talk on “Girl Child Rights” by Nobel Peace Laureate Shri Kailash Satyarthi, on 3 April 2021. Shri Kailash Satyarthi is the Founder of Bachpan Bachao Andolan, Global March against Child Labour, Global Campaign for Education and Kailash Satyarthi Children’s Foundation.
Executive Committee Memberships

In 2020–2021, the Institute's faculty served on 417 executive committees of professional bodies, governmental organisations and NGOs. These included decision-making bodies of various ministries and departments in the government, NGOs, industries and institutions, as well as UGC committees for reviewing/developing/auditing curricula, and administration of educational institutions across India.
STUDENTS

Enrollment

Student enrollment the Academic Year 2020–2021 totalled 4,949 across all campuses. This includes 355 in the Bachelor’s, 2,693 in the Master’s, 171 scholars in M.Phil., 807 for Ph.D., and 923 students in the Diploma and Certificate programmes across all Campuses.

Office of Students’ Affairs

The Office of Students’ Affairs (OSA) functions as the key institutional mechanism for linking students with the Institute administration and academic staff and structures. The OSA also serves as a focal point for processing medical insurance claims as well as providing financial aid to students from economically weaker sections across all campuses and centres.

Student Support Mechanism: As the Institute geared for an online mode of education this academic year, the OSA team started spade work on assessing the diverse needs of the student community. The OSA collated a list of students across all campuses who required support in terms of laptops and data packs. The OSA team dispatched 114 laptops and 135 data packs to students and efforts were made to reach remote places as well.

The OSA also facilitated several support mechanisms in addition to allocation of Student Aid from the Institute. GoI-PMS Scholars and economically marginalised students were supported with a range of services to address their concerns. Over the years, the OSA has applied for several grants and raised resources for individual needy students. Through Student Aid and fellowships, financial support was provided for 570 students across campuses. The total financial support disbursed during this academic year was INR 1,54,01,886/-.

We are extremely grateful to Cognizant Foundation, Allana Foundation, Murthy Nayak Foundation, Taksheel and Tata Trusts for supporting our students through scholarships and financial aid. We are also grateful to several individual donors, including many from faculty, staff and alumni.

Mental Health Services: The Counselling Centre plays a key role in promoting mental health through individual and group sessions. The pandemic added to the existing stressors of students and these services were required for our students, more than ever before. The Counselling Centre conducted outreach programmes for
students as well as different groups of people. Online mediums such as the internet, social media platforms and innovative cloud-based video communication technologies like Zoom and Google Meet, along with WhatsApp were used for reaching out to students and for conducting topical programmes based on felt need. In the year under review, 466 clients were given individual counselling, and seven Facebook live sessions, 12 workshops, and four group sessions were conducted along with other developmental support activities.

**Connecting to Alumni:** On the occasion of the 2021 Institute Day, TISS took the opportunity to connect with our Alumni across the globe. The theme for the Institute Day was “Rewind and Unwind” and a small group of alumni from batches 1970 to 2005 came together to discuss their days in TISS. As a run-up to the Institute Day, we shared images and videos of Institute Day celebrations over the years on TISS social media platforms. Several alumni like Mr. Sanjaya Pradhan, Ms. Archana Soreng, Mr. Jibin Jose, and Mr. Karthik Kamal Saikia, who held different positions in the Students’ Union during their time in TISS, spoke at the event. Prof. Nasreen Rustomfram and Mr. Sobins, both TISS Alumni, anchored the session. A culmination of all of these efforts was the announcement of the setting up of the Alumni Affairs Cell, with representation from faculty and alumni.

**Career Development Training:** In order to boost students’ readiness to face placement processes, the OSA organised a training session on “Facing Interviews and Organisations’ Expectations”. This session was conducted by TISS Alummus, Mr. Sobins Kuriakose, Head of National Skill Development Corporation. A session on “Opportunities in Studying Abroad” by TISS Alummus, Dadasaheb Tandale was also organised. The OSA also mobilised alumni connections to bring more placement opportunities for the outgoing batch.
ORGANISATION MANAGEMENT AND DEVELOPMENT

Women and Gender Development Cell and Internal Committee

As an institution of higher education, TISS is governed by the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013; and the UGC regulations on Prevention, Prohibition and Redressal of sexual harassment of women employees and students in higher educational institutions, 2015. TISS also uses, as an additional guideline, the UGC-commissioned Report of The Task Force to Review the Measures for Ensuring the Safety of Women on Campuses and Programmes for Gender Sensitisation 2013, also referred to as the Saksham document.

Since this work involves both prevention and redress, TISS has 2 integrated bodies – the Internal Committee [IC] as mandated by these laws and policies to receive, process and redress complaints of sexual harassment, and the Women and Gender Development Cell [WGDC] to do the work of raising awareness on questions of gender and sexuality, advocating for respectful and anti-discriminatory gender relations, and to mainstream gender in the policies of the Institute.

The WGDC at TISS Mumbai started its activities for 2020-2021, with an orientation session for the incoming Master’s students of the 2020-2022 batch During the past year, the WGDC has been continuing its work towards making the campus a more gender-aware space for all stakeholders.

A gender-aware code for faculty and staff that was rolled out in November 2019, was further developed in an online format in 2020. The WGDC has also begun, in October 2020, efforts to build a gender policy at TISS, that will work towards making Institute policies and vocabulary more gender-inclusive, in keeping with national and international conventions. A basic document on internet protocols was generated for the student community, in the context of online coursework and meetings/webinars that have been the norm in the pandemic, in February 2021.

In keeping with the mandate of the UGC, the TISS WGDC has a student-centred Gender Advocates programme that follows and builds on the UGC mandate of Gender Champions to cater to the post-graduate student community. Gender Advocates are selected from among volunteers in the first year of Master’s Degree programmes, and are responsible for awareness and advocacy. Currently, TISS has 21 Gender Advocates across programmes.

A campus initiative – Campus Conversations – has been started by WGDC in collaboration with the Association of Commonwealth Universities in December 2020. As part of this initiative, the WGDC has conducted a baseline survey on gender issues among staff, students and faculty on campus, and begun a series of workshops that will be conducted among these communities, on questions of consent, masculinities, and SH law. One of the activities of this initiative is the Feminist Calendar Project that is led by the Gender Advocates in collaboration with their peers, to document the unknown or lesser known histories and struggles around gender and sexuality in South Asia and elsewhere, including their impacts on education. Some of the calendars, which can be found at https://tiss.edu/view/6/women-development-cell/campus-conversations/, are an inspiring testament to perspectives emerging among the student community.

SC/ST and EO Cells

The primary objective of the SC/ST Cell and Equal Opportunity Cell (EO Cell) of TISS is to ensure, as mandated by law, that the reservation policy is implemented both in admission and recruitment, and that neither students, faculty members or staff of TISS are subjected to any kind of discrimination or deprivation or harassment on the basis of their social identity; in other words, for being the member of a particular caste or tribe. Some of the mandated activities that these Cells undertook during the academic year 2020-2021 are enumerated here.
Orientation Programmes: An Online Pre-Admission Orientation Programme (PAOP) was organised for SC/ST and OBC candidates who had applied for the TISS Common Entrance Test (CET) for admission to the various academic programmes being offered for the academic year beginning in 2021. In all, 206 candidates attended the PAOP held on 30-31 January 2021. A Post-Admission Orientation Programme was conducted for the students belonging to SC, ST, OBC and Minority communities on the kind of support provided by the Cell; the responsibilities of students to avail of these supports; the various government schemes available; and the eligibility criteria to avail of these schemes.

Representation in Admission and Recruitment Panels: TISS ensures that in every admission panel or recruitment panel, there is representation of a faculty member from the SC/ST background. This is to see that every SC/ST candidate competing for admission is given a fair chance of being selected.

For admissions in the academic year 2020-2021, a total of 83 admission panels were set up across campuses, of which, 43 faculty members were from within the Institute and 40 from outside Institute. During June 2020–March 2021, the SC/ST and EO Cells nominated faculty members in as many as 12 recruitment selection panels, as mandated in the reservation rules, and as reiterated in the guidelines of the SC/ST Cell, to protect the interest of SC/ST and OBC candidates who faced interviews for the teaching/non-teaching positions.

Facilitating Students to Apply for Scholarships/Fellowships: One of the important activities that the SC/ST and EO Cells engage on a regular basis is to facilitate students from the reserved categories applying for various kinds of government scholarships. For the academic year 2020-2021, four senior and five junior SC students of TISS Mumbai successfully completed their application for the Top Class Education Scholarship (TCES) and are awaiting the grant. Among the senior ST students of academic year 2020-2021, five students have already received the TCES. With regard to those students for whom the Cell has facilitated the process of securing the Post Matric Scholarship, 94 belonged to SCs, 47 STs, 54 OBC (NC), 1 PWD, and five from the Minority category.

Administration

Appointments, Promotions and Retirements: There are 181 UGC sanctioned academic positions of which 158 are filled. There are also 93 Ad-hoc academic positions of which 61 positions are funded by the Tata Trusts. Of the 252 administrative positions (including Technical and Service Staff), 171 are filled. Fourteen appointments and 11 promotions were made in 2020-2021. Eleven faculty and 12 administrative staff superannuated or took voluntary retirement in 2020-2021.

Long Service Award: The following TISS employees completed 20 years of service at the Institute and were felicitated on Institute Day.

- Prof. Harshad Thakur (School of Health Systems Studies)
- Dr. Sandhya Limaye (School of Social Work)
- Mr. Anil Datar (Doctoral Students’ Office)

**In Memorium:** The Institute mourns the loss of TISS family members and remembers, most gratefully, their contribution towards the development and growth of the Institute.

- Prof. R.R. Singh (former Director of TISS from August 2000 to June 2004) on 10 November 2020.
- Prof. Partha Nath Mukherji (former Director of TISS from 1 March 1996 to 1 November 1999) on 12 February 2021.
- Prof. Usha S. Nayar (former Deputy Director of TISS from 15 March 2001 to 15 August 2007) on 17 February 2021.
- Mr Suryakant Kale (Retired Peon, Facilities Services) on 6 July 2020.
- Mr. Vasant Jadhav (Retired Driver) on 29 July 2021.
- Mr. Digamber Dilpak (Retired Machine Operator, Library) on 9 October 2020.
- Dr. E. Toppo (Retired Associate Professor, School of Management & Labour Studies, TISS Mumbai) on 12 February 2021.
- Mr. V.K. Shinde (Section Officer, SC/ST and EOC Cell) on 3 March 2021.
- Mr. Dahyabhai Parmar (Retired Hostel Attendant) on 16 March 2021.
- Prof. Gaurang Sahay (Professor, School of Development Studies, TISS Mumbai) on 12 May 2021.

(672.91) Deficit carried to Balance Sheet (211.24)
At the 81st Annual Convocation of TISS, 1,615 students and scholars will be conferred their degrees as follows.

From TISS Mumbai, 45 will be awarded their Doctor of Philosophy and 63 their Master of Philosophy degrees. 864 students will receive their Master’s Degree, of which, 47 will be in Applied Psychology (Clinical and Counselling Practice); 215 will be in Social Work; 12 in Disaster Management; 42 in Development Studies; 25 in Women’s Studies; 26 in Education; 26 in Education (Elementary); 40 in Public Health (Health Administration); 51 in Hospital Administration; 22 in Public Health (Health Policy, Economics & Finance); 26 in Public Health (Social Epidemiology); 70 in Human Resources Management and Labour Relations; 15 in Globalisation and Labour; 23 in Social Entrepreneurship; 30 in Organisation Development, Change and Leadership; 22 in Media and Cultural Studies; 10 in Library and Information Science; 16 in Climate Change and Sustainability Studies; 21 in Regulatory Governance; 15 in Urban Policy and Governance; 15 in Water Policy and Governance; 34 in Access to Justice; 24 in Applied Psychology with specialisation in Clinical Psychology (BALM); 20 in Applied Psychology with specialisation in Counselling Psychology (BALM), and 17 in Social Work (BALM).

From TISS Tuljapur Off Campus, 2 will be awarded their Doctor of Philosophy and 6 their Master of Philosophy degrees. 124 students graduate with a Master’s degree, of which, 27 will be in Development Policy, Planning and Practice; 39 in Social Work in
Rural Development; **27** in Social Innovations and Entrepreneurship; and **40** in Sustainable Livelihoods and Natural Resources Governance. In addition, **83** students will be awarded a Bachelor’s degree: **46** in Social Sciences and **37** in Social Work with specialisation in Rural Development.

From **TISS Guwahati Off Campus**, **6** will be awarded their Doctor of Philosophy and **4** their Master of Philosophy degree. **150** students graduate with a Master's degree, including **74** in Social Work; **16** in Ecology, Environment and Sustainable Development; **18** in Labour Studies and Social Protection; **16** in Peace and Conflict Studies; and **17** in Sociology and Social Anthropology. **45** students graduate with a B.A. in Social Sciences. **9** students graduate with a Master’s in Livelihoods and Social Entrepreneurship from the **Nagaland Centre**.

From **TISS Hyderabad Off Campus**, **2** will be awarded their Doctor of Philosophy and **5** their Master of Philosophy degrees. **168** students graduate with a Master’s degree, including **28** in Rural Development and Governance; **24** in Women's Studies; **16** in Natural Resources and Governance; **23** in Education; **35** in Development Studies; **21** in Public Policy and Governance; and **21** in Organisation Development, Change and Leadership. **48** students will receive their Bachelors’ degrees in Social Sciences.
Higher education in India is poised to take a huge leap with the vision outlined by the National Education Policy (NEP) 2020. The university system is gearing to remodel and rebuild itself by integrating ancient Indian knowledge systems with modern sciences, social sciences, humanities, arts and culture, languages and literature, personality development and self-growth and training in vocational subjects. The emphasis on technology-led innovation, building scientific temper and an entrepreneurial mind, encouraging community and industry connect, are all meant to make education multi- and inter-disciplinary, value-based and inclusive, and holistic.

At TISS, we have always valued these tenets and visionary ideas that are at the core of NEP 2020. Students who are graduating today will be proud of having been a part of such an education system at TISS. Although we missed having the students on campus, we believe that with creative online teaching, engaging pedagogy, and interesting engagements we were able to impart the perspectives and skills to help them navigate their way into the world of professional work or further studies, from here on. **My best wishes to all the graduating students for a bright future.**

As this academic year draws to a close under the shadows of the most devastating disasters in living human memory, it is time to remember all those colleagues and dear ones we lost to the pandemic and thank all those COVID warriors who worked tirelessly to serve humanity, many of whom are amidst our own students, staff and faculty. A big thanks to all of you.

I take this opportunity to thank all our well-wishers and supporters for making it possible for us to fulfil our mandate of education, research and extension in socially meaningful and relevant ways. We thank the Ministry of Education (MoE) and the University Grants Commission (UGC) for the financial assistance that allowed us to continue with our academic mandate. Our thanks in particular to the Hon. Minister of Education, Shri Dharmendra Pradhan ji for the valuable support provided to Deemed to be Universities, and to the Chairperson UGC, Prof. D.P. Singh for the continued guidance and support extended to the Institute. Our gratitude also to the Secretary, MoE and Secretary, UGC and all other key officials for their cooperation in addressing various issues of the Institute from time to time. We are very appreciative of the Ministry of SoJ&E and Tribal Affairs and to the Secretaries in these Ministries for being supportive of our Gd-PMS students. Our deep appreciation to the Governors and Chief Ministers of Maharashtra, Assam and Telangana States, and also the Secretaries and other officials in state ministries for their goodwill towards our three off campuses.

This academic year, the Institute raised substantial financial resources to support students from vulnerable backgrounds. This was made possible due to grants and loan scholarships provided by several generous donors. We are deeply and abidingly grateful to them.

My faculty colleagues, and colleagues in the administration and other support staff, across all our campuses, the various project staff, and students from different educational streams, all contributed towards the successful completion of this academic year. My sincere appreciation to all of them.

On behalf of the Institute, I extend my most profound, sincere and heartfelt gratitude to Shri S. Ramadorai, Chairman Governing Board of TISS, for being available to us at all times and guiding us through the year with his wisdom and vast experience. His caring and positive attitude has been a source of great strength and inspiration to us. On behalf of all colleagues, a big thank you to him.

Thanks are also due to all other members of our Governing Board and the Finance Committee for steering us through the eventful year, and above all to the Tata Trusts for their continued valuable support. Our sincere appreciation to all the companies in the corporate and industry sector, central and state government ministries and departments, and civil society organisations, who came forward for offering placements to our students.

Finally, on behalf of the Institute, I express my most sincere appreciation to Dr. K. Kasturirangan for gracing today’s convocation ceremony and inspiring the graduating students with his august presence on the virtual platform. Thank you Sir!

### Field Action Project

**AAPTI: An Avenue for Psychosocial and Therapeutic Interventions**, estd. 2008  
Mumbai  

*Sponsor*: Disaster Technical Support Facility  

*Objectives*:  
- Understand and document the unique needs, concerns and issues of the survivors  
- Study the recovery process and analyse the influencing factors in the Indian context  
- Develop and test indigenous theoretical models of response and advocate for appropriate policy change  

*Programmes*:  
- Developing Materials for Mobile Exhibition, Launch of the Virtual Exhibition, Developing Partnership with Key Stakeholders like Adv. Rajeshwar Panchal for Policy Advocacy, 26/11 and 13/7 Survivors for forming the Support Network and the Nariman House, Mumbai for Memorializing 26/11  
- Preparing Manuscript of the AAPTI Approach and Project  

*Staff*: Dr. Mahima Nayar and Mr. Allan Alex Mathew (Pro Bono)  

*Faculty In-Charge*: Prof. Surinder Jaswal  

**Saksham Pravaah**, estd.2015  
Mumbai, Maharashtra, Gujarat, Karnataka and Rajasthan  

*Sponsor*: The Global Fund for AIDS, Tuberculosis and Malaria through Central TB Division, Ministry of Health & Family Welfare, GoI  

*Programme*:  
- To strengthen National TB Elimination Programme (with special focus on MDR and XDR)  
- Psychosocial support and interventions  
- Psychosocial counselling of drug resistant TB patients  
- Patient linkages to social schemes and systems strengthening  
- Capacity-building of frontline TB staff on counselling aspects (pan India).  

*Staff*: Ms. Shweta Bajaj, Dr. Sheethal Rai and others  

*Faculty*: Prof. Shalini Bharat  

**Saksham Jan Urja**, estd.2016  
Mumbai.  

*Sponsor*: Tata Power Community Development Trust  

*Programme*:  
- To involve TB survivors as peer counsellors. The programme was transitioned to the Mumbai Corporation of Greater Mumbai in April 2021.  

*Staff*: Ms. Shweta Bajaj and Ms. Geeta Anchan  

*Faculty*: Prof. Shalini Bharat

Field Action Projects

**iCALL**, estd. 2012, Mumbai

**Sponsor**: Mariwala Health Initiative

**Objectives**:
1. To provide information, emotional support and referral linkages to individuals in distress through technology assisted counseling interventions (with a special focus on marginalized communities).
2. To build capacities of mental health and helping professionals & other stakeholders involved in mental health service provision.
3. To provide consultancy and services for development of helplines and other mental health services
4. To carry out relevant research activities in areas related to mental health, psycho-social distress and counseling.
5. To enhance awareness about mental health issues.
6. To actively initiate partnerships and collaborations to promote well-being of communities and to develop effective psycho-social interventions / responses.

**Programmes**:
- Telephonic, email and chat based counselling services to individuals in psychosocial distress.
- iCALL initiated four additional helplines during COVID-19 pandemic for general public (COVID-Helpline), for health and mental health care providers (SWAASTHI helpline), for individuals in vulnerable contexts across 13 states (UNDP) and for communities in Mumbai M-East Ward (in partnership with M-East CLAP project)
- Awareness programmes with the larger community on mental health and allied issues.
- Consultation to government, non-governmental and International organisations for setting up helplines and other mental health initiatives.
- Curriculum Building on mental health and counseling for counselors and helping professionals.
- Capacity enhancement of mental health personnel and helping professionals in the areas of mental health, counselling and allied issues. - Outreach services in schools, colleges, corporate organisations and communities.
- Research and publications in the area of counselling and mental health.

**Faculty In-Charge**: Dr. Aparna Joshi
School Initiative for Mental Health Advocacy (SIMHA), estd. 2017
Mumbai
Sponsor: SBI Foundation

Objectives
1. To advocate for mental health and well-being of children and adolescents through partnerships and collaborations with government and non-government organisations
2. To establish schools as communities of care by enhancing mental health capacities, mapping of community needs, identification and optimal utilisation of resources and strategic action planning
3. To build capacities of school leaders, teachers, counsellors and key stakeholders involved in supporting adolescents and young people in educational institutions
4. To generate contextually relevant research on mental health needs, challenges and best practices within school systems across India
5. To promote youth leadership in mental health through awareness programmes, capacity building and community-based advocacy.

Programmes
• Adolescent mental health advocacy and awareness programmes with schools, educational institutions and government and non-government organisations
• Developing resources and training material for key stakeholders on adolescent mental health promotion, prevention and intervention
• Capacity building and training programmes for educators, leaders in education, counsellors and other mental health practitioners working with young people
• Responding to the needs of schools during the COVID-19 pandemic through: (a) 'Back-to-School' programme for school teachers, leaders and counsellors; (b) Fostering Resilience and Well-being: An online capacity building programme for school leaders and teachers; and (c) Circle of Care: a World Mental Health Day Campaign celebrating schools as communities of care
• Research activities and publications on mental health interventions and practices for schools

Staff
Ms. Lamia Bagasrawala and Ms. Sadhvi Krishnamoorthy

Faculty In-charge: Dr. Chetna Duggal

Sukoon: Counselling and Research for Individual and Relational Well-Being, estd. 2017
Mumbai and Maharashtra

Sponsor: Mariwala Health Initiative

Objectives
• Provide emotional support and foster well-being among litigants who access legal systems for couple and family related concerns
• Facilitate amicable discussions and decisions around issues of couple, familial and relational conflicts and help individuals and couples plan their future course of life
• Connect individuals to appropriate referral services
• Liaise with and capacity enhancement of key stakeholders within Legal Systems
• Demonstrate a replicable Psycho-social counseling service model in Legal Settings
• To undertake capacity enhancement and research initiatives in the area of couple and family distress and well-being

Programmes
1. Individual Counselling – (pre and on-going litigation contexts)
2. Couple Counselling – (pre and on-going litigation contexts)
3. Family Counselling – (pre and on-going litigation contexts)
4. Counseling for issues pertaining to Violence against women
5. Capacity enhancement with mental health professionals, counselors and helping professionals in the area of couple and family well-being and counseling related to the same
6. Conducting research in the area of couple and family well-being
7. During COVID-19 pandemic Sukoon facilitated an online support groups for individuals reporting relational distress and also conducted workshop series to build capacities of mental health professionals in addressing issues of couple and family conflicts and well-being
**Staff**: Ms. Chinmayee Kantak, Ms. Anushree Puntambekar, Ms. Madhavi Joshi, Ms. Chaitali, Ms. Sneha, and Ms. Swati Mali

**Faculty In-Charge**: Dr. Amrita Joshi and Dr. Aparna Joshi

**Rahbar**, estd. 2019
Mumbai

**Objectives**:
- To create a platform for training and supervision to support professional development of mental health practitioners
- To develop supervisor training frameworks that are drawn from empirical research in the Indian context and provide training in the same
- To build contextual models of supervision unique to the socially embedded realities of mental health practice in India
- To conduct high-quality research on psychotherapy and supervision in the Indian context with the aim of documenting current practices and mapping the needs of practitioners, supervisors, and supervisees.
- To evaluate the feasibility and impact of training and professional support interventions for supervisors.

**Programmes**:
- Advanced and specialised psychotherapy and supervision training for mental health practitioners
- Supportive supervision sessions in individual and group format for mental health practitioners
- Research to document psychosocial initiatives, and impact of training and supervision support in mental health practice
- Developing training manuals for mental health practitioners and curriculum for training supervisors in mental health practice

Field Action Projects

CENTRE FOR COMMUNITY ORGANISATION AND DEVELOPMENT PRACTICE

Mumbai Education Research Innovation and Training (MERIT), estd. 2014
Mumbai

Sponsor : P.M. Foundation, Kerala

Objectives :
- Support underprivileged children and youth in education and employment through creating support network, training and capacity building.
- Enable children from underprivileged sections to develop aptitude for science through science camps

Programmes :
1. Creating local network of support team at different locations
2. Mentoring for school children for higher studies

Staff : Ms. Nazia Jafri

Faculty In-Charge : Prof. P. K. Shajahan

TISS-Tata Motors Ltd. Fellowships for Development Practice, estd. 2015
Pune, Pantnagar, Lucknow, Sanand

Sponsor : Tata Motors Ltd.

Objectives :
- To bring in young professionals to contribute to Corporate Social Responsibility initiatives of the company at various locations.
- To facilitate field interventions in challenging contexts through support and mentoring of young social work professionals.

Programmes :
- Rural community development through NGO support and liaison; facilitation of projects of NGOs supported through CSR initiative of the company.

Staff : Mr. Somnath Dadas, Mr. Aniket, Mr. Muhammed Raees, and Jayantilal Bagda

Faculty In Charge : Prof. Mouleshri Vyas

Basic Education in Skill and Technology (BEST), estd. 2018
Mumbai and Gujarat

Objectives :
- Skill and Aptitude assessment among school children for various skills and technology
- Offering various skill development activities in schools along with regular curriculum
- Developing trained instructors to carry out the training in the respective schools
• Setting up workshops in intervention schools

Programmes:
• Skill training to master trainers
• Offering the BEST programmes in two schools

Staff: Ms. Komal Devkate

Faculty In-Charge: Prof. P.K. Shajahan

CENTRE FOR CRIMINOLOGY AND JUSTICE

Prayas, estd. 1990
Mumbai, Thane, Navi Mumbai, Latur, Solapur, Bharuch and Narmada districts of Maharashtra and Gujarat

Sponsor:
• Azim Premji Philanthropic Initiatives, Shri Balaji Foundation, Tree of Life Foundation, Tata Motors CSR, Lal Family Foundation, Western Union CSR, Marsh and McLennan, Individuals and Corporates

Objectives:
• To demonstrate the need for social work intervention in the criminal justice system such as police stations, prisons, courts and institutions for women.
• To work towards the rehabilitation of persons coming out of or vulnerable to crime, sexual exploitation or destitution.
• To improve access to the legal rights of persons processed by the criminal justice system and to promote the use of the correctional laws to aid rehabilitation of vulnerable groups.
• To identify issues relevant to rehabilitation and attempt to address them at policy level.
• To increase awareness in government and society about issues related to rehabilitation of persons affected by crime, sexual exploitation or destitution.
• To generate knowledge in the field of social work, criminology and corrections through research, documentation and analysis of field experience.

Programmes:
Prayas has been working in the criminal justice system – prisons, courts, legal aid systems, shelter homes for women and children – since 1990, with the aim of protection of legal rights and rehabilitation of vulnerable and marginalised sections, though social work intervention. The intervention programmes can be summarised as follows:

1. Protection of legal rights and rehabilitation of vulnerable groups in criminal justice
2. NGO Placement Programme, a specially designed rehabilitation model for criminal justice or socially stigmatised populations
3. Advocacy of law and policy change related to legal rights and rehabilitation of marginalised groups in criminal justice through research and documentation of field experiences.
4. Organising workshops, seminars, and training programmes with stakeholders towards effective implementation of correctional laws and policies.
5. Creation of multi-stakeholder platforms at district, state and national levels towards effective coordination among government departments, agencies and civil society organisations.

Prayas is a member of various state-level committees related to prisoners’ rights and rehabilitation, anti-human trafficking, rehabilitation of custodial populations and crimes against women. It is a founder member of an alliance of socio-legal initiatives in criminal justice. Prayas has recruited social work and legal fellows 2018 to work in collaboration with the district legal services authorities to strengthen access to legal aid and bail for under trial prisoners. More than 6000 under trial prisoners across 6 prisons in Maharashtra have been reached out to and more than 2000 have been released on bail through this project. Prayas as one of the co-authors of the India Justice report 2020, which was anchored by the Tata Trusts.

Despite challenges posed by the pandemic and the lockdown, Prayas reached out 1600+ families (approx. 8100 people in Maharashtra and Gujarat), by way of cash transfers, rations and psycho-social telephonic support, and continues to support them. Bank transfers worth INR 10 lakhs helped 832 families. Prayas reached out to prisons and custodial institutions through supply of sanitisers, hand wash, masks, sanitary pads, and thermal thermometers, based on requests received from the authorities.

The Government of Maharashtra has increased the budget of the grant in aid to released prisoners from 12 lacs to 1 crore for the financial year 2020-21 due to Prayas advocacy efforts. The grant amount has been increased from 5000 to 25000 per released prisoner. The sponsorship amount for children from single parent families under the Bal Sangopan Yojana has been increased from Rs. 425 per child per month to Rs. 1100 per child per month.
Prayas is the national convenor of the National Forum on Prison Reforms which has intervened in the PIL on COVID Contagion and Prisons in the Supreme Court and made several suggestions to the court to release prisoners on bail to reduce overcrowding.

Prayas advocacy with the Maharashtra Prison Department led to facility of video calling for prisoners with their family members during the lockdown and also allowing phone calls with their lawyers.

Resource Cell for Juvenile Justice, estd. 2005
Pune, Amravati
Sponsor : BPCL CSR
Objectives :
- Engage with the Juvenile Justice System (JJS) and work towards a child friendly implementation of the Juvenile Justice Act (with special focus on JCL)
- Work on issues related to rehabilitation and social integration of children into society.
- Build capacities of Juvenile Justice System functionaries towards their effective functioning in the system.
- Generate knowledge and information on various aspects related to children in the Juvenile Justice System.

Programmes :
- Help Desk, Skill Development, Research, and Advocacy and Training

Staff : Ms. Jyotsna Mehekare, Mr. Pawan Jawanjal, Mr. Vijay Bhaviskar, Mr. Vasmi Shaikh, and Ms. Swapnali Dangi

Faculty : Dr. Asha Mukundan

Towards Advocacy, Networking and Developmental Action (TANDA), estd. 2011
Navi Mumbai (Maharashtra) and Purulia (West Bengal)
Sponsor : Tata Trusts and Individuals
Objectives :
- Creating a network of human resources and knowledge generation on issues of NT-DNT community
- Work with the administration towards accessing rights and entitlements of NT-DNTs
- Capacity Building and access to most required needs of the NT-DNTs
- Capacity building of the CBOs/ NGOs/ working with NT-DNTs.

Programmes :
- At the field level, TANDA conducted Community Learning Centres attended by school-going students, mostly from DNT communities. TANDA initiated and supported VAJRA Mahila Sangathan which completed its seventh year recently. They have set up a federation of SHGs, which provides loans at one percentage for health, education and livelihood. TANDA, along with other CBOs, has initiated the National Alliance Group for DNT (NAG). NAG Fellows are working with DNT communities in Ahmedabad (Gujarat) and Kota (Rajasthan).
- During the COVID crisis, TANDA was able to provide food grain packets to more than 1000 slum dwellers predominantly from DNT, SC, ST (Brick Kiln labourers) and minority groups. TANDA has entered into a MoU with the Rotary Club of Hiranandani Estate, Thane and has bagged the Rotary International Global Grant towards Improving Women and Child Health and Achieving Women Empowerment of Ex-Criminalized and other Marginalized Communities of Urban Slums, in Navi Mumbai.

Staff : Mr. Prasanta Rakshit, Mr. Bhimchandra Mahato, Mr. Nandalal Rajoyarh, Ms. Manimala Mandi, Mr. Manbadh Sabar, Mr. Pashupati Mahato, Ms. Abani Sabar, Mr. Bhaskar Chandra Mahato, Mr. Banseswar Sabar, Dr. Yogendra Ghorpade, and Mr. Mayank Sinha.

Faculty In-Charge : Prof. Vijay Raghavan
I Access Rights Mission, estd. 2013
Mumbai

Objectives: • To take steps for accessibility issues at university level regarding Students with Disabilities
• To understand the emerging issues and challenges of students with disabilities in higher education.
• To create awareness and sensitization programmes to promote an inclusive culture among all students in campus using various art forms like media, painting and theater and all forms of art.
• Developing guidelines for teachers and peers regarding Students with Disabilities and work towards designing a academic activities & curriculum on Universal Design and Accessibility for inclusion.

Faculty: Dr. Vaishali Kolhe

Inclusive Community Based Rehabilitation (iCBR), estd. 2013
Karjat Dt. Raigad till October 2016 and Vashi Naka, M ward, Mumbai since April 2016

Objectives: • To enhance the access to educational services and schemes to drop out and never enrolled children with disabilities and ensure inclusion and effective learning with other non-disabled peers.
• To provide career guidance, vocational counselling and skill training to youth with disabilities to initiate income generation and sources of livelihood through self or open employment.
• To provide detailed information and knowledge about their rights, various facilities and schemes available for them through various government programmes and making them aware about the process and requirements while accessing those services and schemes and need based advocacy.
• To ensure inclusion and integration of people with disabilities in village community at various spheres of life by providing opportunities of proper medical care, inclusive education, vocational training and livelihood support within the community.

Programmes: • Inclusive Community based Rehabilitation (iCBR) project has built good rapport with the community people, government authorities and non-governmental organisations and gained community acceptance to work with them in their villages on their identified issues in the broad domains of Health Care, Inclusive Education and Sustainable Livelihood and conducted various workshops for different stakeholders. In Mumbai M ward, same works have been done in collaboration with Pratham Vidya Vardhini, Social Welfare Department, SSA. Identification of people with disabilities including children with disabilities, pension scheme, concession, disability certificate, disability awareness programme by conducting challenging challenges programme, workshop on livelihood for people with disabilities in Vashi Naka.

Faculty: Dr. Sandhya Limaye and Dr. Madhura Nagchoudhuri

CENTRE FOR EQUITY IN CHILDREN AND FAMILIES

Improving Psychosocial Care and Quality of Life and Wellbeing of Children in Childcare Institutions, estd. 2018
Hyderabad, Telangana

Sponsor: Tata Advanced Systems Limited (TASL), Hyderabad

Objectives: • Direct Intervention for and with Children: Group counselling, life skills education, demonstrating effective documentation process for Individual Care Plan and Social Investigation Report.
• Working with the Staff: Enable the institution staff to provide social care and mental health care to the children through counselling and trauma informed approach, capacity building through field exposure visit and exchange of good practices from other States, creating a network of NGOs, civil society organisations, and local
academic institutions to provide continuous support to the homes, developing parameters for monitoring the care standards in the institutions using participatory approach.

- Juvenile Justice system: Facilitating the drafting of child protection policy for the homes and the JJ Model Rules for the Telangana state, advocacy for appointment of Probation Officer and Counsellor in all homes.

Programmes:
1. Peacemaking circles with children in conflict with law
2. Anti-Bullying Workshop
3. Children’s Day Fair
4. Development of Curriculum on 'Life Skills Management' for Children in Conflict with Law
5. Direct work with around 200 children through individual counselling
6. Awareness sessions on the spread of COVID-19 and its prevention were conducted, and the psychosocial support was continued through online counselling during the lockdown period
7. Expediting cases through coordination with key stakeholders like DCPU, Child Welfare Committee, Juvenile Justice Board
8. Workshop on ‘Sensitisation and Education on Gender and Sexuality’ was conducted for adolescents in Special Home for Boys
9. Proposal on ‘Skilling and Vocational Education for Rehabilitation of Adolescents in Childcare Institutions’ was submitted and accepted by the Government for implementation
10. The policy recommendation to appoint Counsellor and Social Worker for each institution was put forth, and accepted by the WDCW, Govt. of Telangana.
11. Capacity building of staff was conducted through workshops and webinars on Case Management, Trauma Informed Care approach, Rehabilitation of children in CCLs, and Vocational Training opportunities for adolescents
12. Engagement of students through internships and fieldwork to provide professional support to home administration and equipping young professionals to work with the child protection system
13. Family conferencing to strengthen family support for child’s rehabilitation and reintegration into the society

Staff: Ms. Shreshtha Saluja, Mr. Abu Hafiz, Mr. Md. Shamsuzzaman, and Mr. Deepak Kumar

Faculty: Dr. Josephine Anthony

Child Protection Fellowship Project, estd. 2018
Gaya, Bihar

Sponsor: Tata Advanced Systems Limited (TASL), Hyderabad

Objectives:
1. Building a group of young professionals who are fully trained and committed to the cause of child protection and equipped to work with the childcare institutional settings in Bihar and across India;
2. Facilitating institutional administration to have the facility of interim professional support to enhance their commitments;
3. Strengthening network of stakeholders towards improving quality of life and psychosocial wellbeing of children of the childcare institutions and for long-term sustainable changes in the institutions.

Programmes:
1. To strengthen the rehabilitation of children in Observation Home by providing them employable skills and placement support, a vocational training classroom was set up in the premises. Forty boys in the age group 16-20 years were provided with 1-month certificate course on ‘Mobile Repairing and Hardware Technology’ in collaboration with Tally Hub.
2. A Handbook for Children coming in the Observation Home and a Handbook for their Parents were created to familiarise them with the Juvenile Justice system, its procedures, the institution, and stakeholders to be reached out for assistance.
3. Awareness sessions on the spread of COVID-19 and its prevention were conducted, and the psychosocial support was extended through telephonic counselling during the lockdown period.
4. Staff Capacity Building was enhanced through online training sessions on ‘Preparation of Individual Care Plan and Rehabilitation of Children’, and ‘Roles and Responsibilities of staff in the Observation Home’;
5. Children were provided psychosocial care through one-on-one sessions, group sessions on issues like managing stress during the COVID period, expedition of case proceedings, career guidance and support outside the institution and recreative engagement in sports and art.
6. Regular staff meetings and Management Committee meetings were facilitated by the Child Protection Fellows to discuss and deliberate upon facilities of education, recreation, safety and engagement of children, to strengthen the administrative abilities of the Home.

**Staff**: Ms. Shreshtha Saluja, Mr. Abu Hafiz, Mr. Md. Shamsuzzaman, and Mr. Deepak Kumar

**Faculty In-Charge**: Dr. Josephine Anthony and Dr. Mohua Nigudkar

## CENTRE FOR HEALTH AND MENTAL HEALTH

### Muskaan, the Child and Adolescent Guidance Centre of TISS, estd. 1938
Mumbai, Thane, Pune

**Sponsor**: TISS

**Objectives**:
- To provide clinical services to children and adolescents experiencing emotional, behavioural and other difficulties
- To create awareness about child and adolescent mental health
- To provide therapeutic services to children whose parents seek divorce
- To facilitate issues related to custody and access from a child-centered perspective

**Programmes**:
- Clinical/therapeutic services to children and adolescents across different sites and settings
- Online counselling services to children and parents with collaboration of Thane, Pune Family Court and Aaganwadi Sevikas
- Resource mobilization during Covid-19 pandemic
- Online group play sessions with children (Age group 5 – 12 yrs)
- Online group activities for adolescents (Age group 13-18 yrs)
- Sessions on Parenting with Aaganwadi Sevikas and Madatnis (M-ward)
- Group sessions with parents on Home Schooling
- Distribution of hygiene kits to adolescent girls in M-ward
- Mental Health awareness sessions with adolescent group of Aaganwadi at M-ward

**Staff**: Gayathri K. R, Rakhi Howal, Akshata Kankekar

**Faculty**: Prof. Shubhada Maitra

### Pragati (Integrated Rural Health and Development Project), estd. 1996
Aghai, Shahpur Taluk

**Sponsor**: Natwest India Foundation

**Objectives**:
- To co-construct a culture sensitive, comprehensive need-based health, mental health and livelihood interventions in the community.
- To strengthen and facilitate positive changes in the basic education facilities available for the tribal children through skills program.
- To liaise the community with government initiatives for tribal development
- Evolving Livelihood initiatives to enhance capabilities and also to ensure availability, access and consumption of nutritional food for the people in the community.

**Programmes**:
- The project works on three interconnected themes. Health, Education and Livelihood (with an aim to enhance the living standards).
  1. Diversified livelihood avenues
    a. Farm based interventions: A wide range of crops to increase productivity, nutrition as well as income. Thus, there are range of crops that fetches income, like rice, pulses and jasmine flowers. Kitchen garden and vegetable cultivation are introduced in the recent past.
    b. Initiated low cost and efficient irrigation mechanisms that require very limited resources. Drip Irrigation is adopted in certain areas, and setting up for flood irrigation in one pada. Also worked on local systems of water conservation mechanisms like Goni Bhandara. Water is a critical resource in the context that we work in, thus substantial attention is given for effective water conservation mechanisms.
c. Attempts are made to promote conservation agriculture, preparation and use of organic manures, and introducing intercropping mechanisms.

d. Shifting the livelihood initiatives to move beyond basic subsistence to add basic assets and enhance the living standards of households in the padas.

2. Skills and Education in Tribal Schools: Pragati, has evolved a context specific skills model for the adolescents who are studying in the Ashram School. This model not only engages with children, but also with teachers and wardens. This program aims to better education opportunities for children and also their overall wellbeing. Over the two years, we can see a tremendous change amongst the children, which is visible on several parameters.

3. Alongside the social interventions for health, we also work towards minimizing malnutrition amongst children and young women. We work closely with the primary health centre, work on creating awareness in the communities on institutional delivery, immunization for children and take part in all community-based health initiatives.

**Staff**

- Mr. Pravin Yadav, Ms. Ranjana Ravindra Vishe, Ms. Savita Kailash Gawali, Ms. Janvi Ananta Mali, Ms. Suvarna Suresh Ravate, Ms. Savita Ramesh Tare, and Mr. Dipak Jivi Ravate-Trainer

**Faculty**

- Prof. Ashabanu Soletti

---

**Tarasha, estd. 2011**
Mumbai, Thane

**Sponsor**

- The Hans Foundation, Prayas Trust

**Objectives**

- To support women recovering from mental disorders in making a transition from institutions back into the community through networking, capacity building and sensitisation.
- To facilitate the process of recovery in women aimed at addressing issues related to psychosocial well-being, shelter, sustainable livelihoods and economic independence.
- To shift society from a mind-set of exclusion and stigmatisation to inclusion and acceptance, thereby supporting to create safe, non-threatening spaces for women living with mental disorders.
- To influence policy through advocacy and networking.

**Programmes**

- Deinstitutionalization to facilitate recovery and reintegration of women in the society.
- Livelihoods to provide and create livelihood opportunities for women living with mental disorders in the hospital.
- Reduction of stigma and discrimination at the workplace.
- Care-givers support programme
- Good Practices towards upholding the rights of persons with mental disorders within state-run mental hospitals in Maharashtra.

**Staff**

</table>
The School of Vocational Education was set up to impart skill education to millions of Indian youth through appropriately designed vocational education programmes.

The focus is on developing job-specific skills rather than providing only a broad knowledge based education. The approach adopted is called the Internship Embedded Skill Training Programme during which many students may also earn a modest stipend in select skill knowledge sectors. The aim of this Earn while you learn model is to enable the students to learn the skill by engaging in an internship on the shop floor of the industry/company along with theory training in the classroom.

SVE MODEL

TISS-SVE currently offers 34 Bachelor of Vocation programmes conforming to UGC norms. Arranged level wise, the 3-year degree programmes begin with a Diploma course leading to a Bachelor of Vocational Degree (B. Voc.) in the third year. Every individual level/year is a stand alone certification recognised and awarded by TISS. These programmes allow the students who have passed Standard 12 or have done SSC+2 Years of ITI, to directly join the National Skills Qualifications Framework (Level 5) based on their academic achievements. The undergraduate courses of the B. Voc. programme incorporate specific job roles and their equivalent National Occupational Standards (along with broad-based general education) The graduates of the programme are equipped to meaningfully participate in accelerating India’s economy by gaining appropriate employment, or becoming entrepreneurs.
SVE PROGRAMMES IN 16 INDUSTRY SECTORS

AGRICULTURE
- B. Voc. in Agriculture
- Post Graduate Diploma in Agribusiness Management
- Diploma in Agriculture & Agri Input Management

AUTOMOTIVE
- B. Voc. in Automobile Servicing Technology
- B. Voc. in Automotive Manufacturing Technology
- Diploma in Auto Diagnosis and Repair

BFSI
- B. Voc. in Banking, Finance services and Insurance
- Post Graduate Diploma in Banking, Financial Markets & Insurance
- Post Graduate Diploma in Bank Credit Management
- Post Graduate Diploma in Markets, Banking & Operations

CHILD CARE
- B. Voc. in Child Protection
- B. Voc. in Early Child Development
- Post Graduate Diploma in Early Childhood Development and Education

CAPITAL GOODS
- B. Voc. in Industrial Tool Manufacturing
- B. Voc. in Mechatronics Technology
- B. Voc. in Production Technology

EDUCATION
- B. Voc. in Social Research

ELECTRONICS
- B. Voc. in Electronic Manufacturing Services
- B. Voc. in Office Automation
- B. Voc. in Refrigeration and Air Conditioning

HEALTHCARE
- B. Voc. in Medical Imaging Technology
- B. Voc. in Medical Laboratory Technology
- B. Voc. in Dialysis Technology
- B. Voc. in Optometry
- B. Voc. in Patient Care Management
- Post Graduate Diploma in Dialysis Technology
- Post Graduate Diploma in Emergency Medical Services
- Post Graduate Diploma in Critical Care Technology
- Post Graduate Diploma in Medical Lab Technology (PGDMLT)
- Post Graduate Diploma in Histotechnology and Cytotechnology
- Diploma in Operation Theatre Techniques
- Diploma in Emergency Medical Technician
- Diploma in Geriatric Care

IT -ITeS
- B. Voc. in Software Development
- B. Voc. in Artificial Intelligence and Machine Learning
- Post Graduate Diploma in Computer Applications
- Post Graduate Diploma in Software Development
- Diploma in Computer Applications

LIFE SCIENCES (PHARMACEUTICALS)
- B. Voc. in Pharmaceutical Manufacturing
- B. Voc. in Manufacturing Technology (Pharmaceutical Chemistry)

MANAGEMENT, ENTREPRENEURSHIP AND PROFESSIONAL SKILLS
- B. Voc. in Sales and Marketing
- B. Voc. Operations
- Post Graduate Diploma in HR & Administration
- Post Graduate Diploma in Marketing
- Post Graduate Diploma in Digital Marketing
- Post Graduate Diploma in Training and Development

MEDIA AND ENTERTAINMENT
- B. Voc. in Graphics and Multimedia
- B. Voc. in Journalism

POWER (RENEWABLE ENERGY)
- B. Voc. in Renewable Energy Technology
- Post Graduate Diploma in E-vehicle Technology

RETAIL MANAGEMENT
- B. Voc. in Retail Management with Specialisation in Agriculture Retail, Automobile Retail and E-Commerce Retail
- B. Voc. in Retail Management with Specialization in Automotive Retail – MSIL Sales Master Programme

SPORTS PHYSICAL EDUCATION FITNESS AND LEISURE SKILLS (SPEFLS)
- B. Voc. in Adventure Sports
- B. Voc. in Sports Management

TOURISM AND HOSPITALITY
- B. Voc. in Travel and Tourism
- B. Voc. in Hospitality
- B. Voc. in Hotel Management
- B. Voc. in Cultural Heritage

Field Action Projects

School Synergy Initiative, estd. 2018
Mumbai

Sponsor: Tata Trusts

Objectives:
- To build synergy of the Centre’s work and programmes with the schools across India
- To develop a mutually beneficial relationship.
- To provide avenues for continuous professional development while the schools may provide avenues for school and class observations as well as internship opportunities to M.A. Education and the B.Ed-M.Ed students
- Programme: School Synergy workshop Series

Staff: Ms. Poonam Sachdev, Mr. Sunil Kumar, and Ms. Deepa Bhalerao

Faculty In-Charge: Dr. Ruchi Kumar and Prof. Mythili Ramchand

Connected Learning Initiatives (Phase 2), estd. 2020
Chhattisgarh, Telangana, Mizoram, Mumbai

Sponsor: Tata Trust

Objectives:
- Improve teachers’ capacity to use Technology in the class room
- Improve System capacity to integrate technology on school level teaching learning process
- Programme: Successfully trained more than 3000 teachers and 500 head teachers and 300 RPs. This is supplemented by supporting the state for teach conducive AWP&B

Staff: Mr. Saurav, Mr. Karthik, Mr. Munaf, and Ms. Garima

Faculty In-Charge: Prof. Padma Sarangapani, Prof. Ajay Singh, Dr. Shamin Padalkar, Dr. Nishevita Jyaendran, Dr. Bindu Thirumalai, Dr. Meera Chandran, and Dr. Anusha Ramanathan

Connected Learning for Teacher Education in Mathematics and Science, estd. 2020
Bhutan, Nigeria and Tanzania

Sponsor: GPE-IDRC

Objectives:
- Developing the capacity of Newly Qualified Teachers (NQT) and student teachers of Initial Teacher Education (ITE) programmes in Mathematics and Science.

Staff: Ms. Dhawni Bafna

Faculty In-Charge: Prof. Padma Sarangapani, Prof. Mythili Ramchand, Dr. Ruchi Kumar, Dr. Meera Chandran, Ms. Bindu Thirumalai, Dr. Shamin Padalkar and Dr. Anusha Ramanathan

Field Action Project

Sakhi - One Stop Centre, estd. 2020
Telangana

**Sponsor**: Department of Women and Child Development

**Objectives**: • To strengthen the functioning of OSCs in different districts in the state of Telangana in accordance with the mandate of the Government and with globally accepted principles and standards of gender justice and human rights, and based on a survivor-centered approach.

**Programmes**:
• **Evolving a strategic framework**: (i) Develop Standard Operating Protocols for the functioning of OSCs, comprehensively covering all types of scenarios. (ii) Develop terms of reference for all functionaries of the OSCs.
• **Capacity Building**: (i) Inception training for all OSC functionaries at state and district levels. (ii) Facilitating quarterly training and follow-up meetings for all OSCs. (iii) Conducting sensitisation workshops based on the Training of Trainers (TOT) model for all district-level medical professionals, para-medical staff, police officers, empaneled lawyers and counselors on responding to GBV. (iv) Facilitating bi-annual training and monitoring including preparation of protocols for all above functionaries on responding to GBV.
• **MIS&IEC materials**: (i) Development of IEC materials such as posters, pamphlets. (ii) Preparation of Training manuals. (iii) Translation of IEC materials into Telugu.
• **Evaluation**: (i) Conducting bi-annual process evaluation to be discussed in the state-level review meeting. (ii) Conducting annual impact evaluation

**Staff**: Dr. M. Suneetha, Ms. G. Blessie Madhukar, Mr. M. Suresh, Ms. Shruthi Naik, Mr. Sai Swaroop, Mr. B. Ramesh, Mr. S. Srinivas, and Ms. Snehal Shahare.

**Faculty**: Prof. Gyanmudra.
