Directors Annual Report

Our esteemed Chief Guests for the 82nd Convocation, Shri Rajendra Singh and Dr. Satish Pradhan; Shri Vijay Singh, Interim Chairman, Governing Board of TISS; Members of the Governing Board and Academic Council; students, staff and faculty; parents and relatives of graduating students, and all well-wishers of TISS:

The Academic Year 2021-2022, which spanned from 26 July 2021 to 25 June 2022, continued to be affected by the COVID-19 pandemic, leading to the campus lockdown ending in phases. While online teaching was the norm for the most part, final-year students, in small batches, could experience a slice of campus life for 4-5 weeks at a time. Despite these challenges, 1419 students enrolled in our 53 post-graduate, 3 under-graduate, and 18 M.Phil. and Doctoral programmes from our Mumbai Campus and the three off-campuses in Tuljapur, Guwahati and Hyderabad, completed their course work and received their degrees.

Prof. Shalini Bharat
Director/Vice Chancellor, TISS
M.S. GORE CENTENARY CELEBRATIONS

The Institute observed the Birth Centenary Year of Prof. M.S. Gore, one of the first graduates of TISS and later its longest serving Director till date from 1962 to 1982. An acclaimed social scientist with a multidisciplinary approach, a visionary educator-administrator, and an institution builder, Prof. Gore advocated integrating social science theory with social work practice.

A recipient of the Padma Shree, he was well known for his writings on social work education, cultural dimensions of development, and Indian social reformers and movements.

This centenary event was dedicated to some of the key concepts and ideas Prof. Gore explored and wrote about during his lifetime with respect to social work and social development.

The Institute observed his birth centenary year with publications and events organised by different Schools and Centres of the Institute.

One of the event posters for M.S. Gore Centenary Celebrations
INSTITUTIONAL RANKINGS

The Institute participated in various rounds of Institutional Rankings in the AY 2021-2022:

- The **School of Social Work** maintained its top ranking yet again. It was ranked as the **Best College of Social Work** in India by *India Today* (2021 and 2022) and as the **Best Social Work Institute** in India (2021) by *Outlook*.

- TISS ranked 2nd across India in the 2021 OBE Ranking and is in the ‘HEI of Eminence: Institution of Academic Excellence’ category.

- TISS was awarded 4 stars by the Institution’s Innovation Council (IIC), an initiative of the Ministry of Education, Government of India.

- TISS was ranked 4th across India in the **Green Institutional Rankings 2022** by the Sustainable Institutions of India.

- The NIRF ranked TISS **99th Overall** and **60th** among universities.
MoU exchange ceremony between TISS and the Bastar District (Chhattisgarh) administration in the presence of Hon’ble Chief Minister of Chattisgarh, Shri Bhupesh Baghel (centre), Bastar District Collector, Shri Rajat Bansal (third from left) and Prof. Satyajit Majumdar of TISS (second from right) hold copies of the MoU.

(L to R): Dr. Upakul Sarmah (Deputy Registrar, TISS Guwahati Off-Campus); Col. R.M. Joshi (Veteran) (Registrar, TISS); Dr. Pradip Kumar Bora (Director, NERIWALM); Prof. Kalpana Sarathy (Deputy Director, TISS Guwahati Off-Campus); Shri Ajoy Kumar Sharma (Deputy Director - Administration, NERIWLM), and Dr. Abhinandan Saikia (Chairperson, Centre for Ecology, Environment and Sustainable Development, School of Social Sciences and Humanities).
COLLABORATIONS AND PARTNERSHIPS

The Institute added strategic partnerships to advance our work for greater impact nationally as well as globally. Overall, in 2021-2022, we signed or renewed 52 MoUs with national organisations and universities, and 16 with international universities.

The TISS Incubation Centre, hosted by the Centre for Social Entrepreneurship, signed an MoU on 2 November 2021 with the District Administration of Bastar, Chhattisgarh, as a Knowledge Partner for THINK-B, their newly founded incubation centre. The TISS Incubation Centre will advise THINK-B on systems and processes, identify potential entrepreneurs, guide and mentor them, and take various initiatives to connect Bastar to the larger incubation ecosystem across India.

The Institute’s Incubation Centre is the knowledge partner for Biotechnology Industry Research Assistance Council’s (BIRAC) SPARSH SIIP Programme. The Incubation Centre trained and mentored the 2020 cohort of Social Innovators in building a framework for socially relevant, yet feasible technology solutions and developing a market-centric approach for enterprise creation. Sixty-three Social Innovators from this cohort across 14 SPARSH Centres (Technology Business Incubators) successfully completed their 18-month programme spread across six thematic areas: Mother & Child Care, Ageing & Health, Food & Nutrition, Agri-Tech, Waste to Value, and Combating Environment Pollution & Control.

TISS signed an MoU with the North Eastern Regional Institute of Water and Land Management, Tezpur, on 9 November 2021 to promote teaching, training and research as collaborative partners in the fields of Ecology, Social Work and Sustainability Studies in the country with a special focus on the North Eastern Region. The Guwahati Off-Campus will lead the partnership on behalf of TISS.

The TISS Hyderabad Off-Campus has developed a partnership with the UNICEF for district-level support on Risk Communication and Community Engagement for Telangana State.

The School of Vocational Education of TISS signed many partnership agreements this academic year. These include (i) an MoU with Lenskart Eye Tech on 9 February 2022 to be the Service and Skill Knowledge Provider for the B.Voc. in Optometry programme; (ii) Project ‘Uday’ with HCL Foundation under its IT-ITES (Information Technology Enabled Services) skill-sector to sponsor the fees of the students enrolled in the Diploma in Computer Applications programme; (iii) a collaboration with Maruti Suzuki to offer an industry-integrated B.Voc. in Retail Management with Specialisation in Automotive Retail; and (iv) with Tata Power to provide internship opportunities to 22 students pursuing B.Voc. in Renewable Energy Technology.

TISS will be a mentor for the development and capacity building of the Liberal Arts programme offered by the Faculty of Social Sciences, Jagat Guru Nanak Dev Punjab State Open University.

TISS has launched India’s first academic-corporate fellowship for the trans community in collaboration with Pernod Ricard India Foundation and the Collective Good Foundation. This is to promote transgender inclusion in the workforce and enable them to reimagine their futures through people-centred innovation.

TISS was honoured to host and participate in a Roundtable Session organised by the Shastri Indo-Canadian Institute (SICI) for the University of Ottawa and SICI’s Indian member institutions to explore, discuss, and build relationships for developing concrete academic and scientific partnerships in line with the NEP 2020 of India on 19 May 2022.
R to L: Prof. Karamjeet Singh (Vice-Chancellor, Jgat Guru Nanak Dev Panj Abr State Open University), Prof. Shalini Bharat (Director, TISS), Prof. Surinder Jaswal (Deputy Director, TISS), Prof. Ashwini Kumar (Dean, School of Development Studies), Prof. Madhushree Sekher (Chairperson, Office of International Affairs), TISS, Prof. Abdul Shaban (School of Development Studies) and Prof. Manish Jha (School of Social Work)

R to L: Prof. Sharon Pickering (Deputy Vice-Chancellor and Senior Vice-President, Monash University), Prof. Shalini Bharat (Director, TISS) and Prof. Madhushree Sekher (Chairperson, Office of International Affairs)
TISS has a very active internationalisation programme, which is coordinated by the Office of International Affairs (OIA). In 2021-2022, TISS signed 20 new MoUs with partners such as Monash University, Queen Mary University of London, SOAS, Cornell University, Simon Fraser University, the University of Nantes, to name a few.

We were also happy to welcome 18 new full-time international students and 5 semester-exchange students this year. Some of the highlights from the year are listed below.

**TISS-Monash Strategic Partnership Launch:** TISS and Monash University signed a strategic partnership agreement on 2 August 2021, which is based on a shared vision for the role of higher education over the last five years.

**Wetskills Water Challenge Mumbai 2021:** The OIA and the School of Habitat Studies, in collaboration with Wetskills, a Dutch Foundation working in the water sector, and the Dutch Consulate General in Mumbai organised a two-week water challenge for Indian and international students and young professionals working or studying in the water policy/water management sphere. The Workshop was held online from 22 November to 2 December 2021.

**Leading Together Dialogue on Women and Leadership:** Leading Together is a collaboration between undergraduate students of the Faculty of Arts at the University of Melbourne, TISS, Tetso College, Stella Maris College (Chennai) and Savitribai Phule Pune University. On 12 November 2021, the Leading Together Dialogue on Women and Leadership was held, which emphasised peer learning and the co-creation of knowledge, and established new networks and knowledge pedagogies for the undergraduate student community.

**Social Entrepreneurship Challenge in the Indo-Pacific:** 15 students from TISS participated in the second round of the Social Entrepreneurship Challenge in the Indo-Pacific (SECIP) in January 2022. The SECIP, an intensive model incubator programme, is a two-week virtual, experiential initiative that gives students hands-on experience in establishing a social enterprise or solution that can have immediate social impact.

**Public Lecture:** In May 2022, the Ministry of External Affairs of the Government of India and the OIA conducted a commemorative lecture as part of the “India@75: Videsh Niti Distinguished Lecture Series”. Under this initiative, Prof. Narendra Nath Misra, a retired Indian diplomat who served as Ambassador to Portugal and to Laos, gave an online lecture on “The Impact of the Ukraine Crisis on India’s Foreign Relations.”
MAKING PEOPLE AND SYSTEMS “SAKSHAM”

Saksham ("making capable") is a project of TISS and is committed to supporting the Ministry of Health and Family Welfare in its fight against HIV and TB. Saksham, in partnership with the National AIDS Control Programme (NACP), has developed the curriculum for HIV Counsellors across India. Saksham’s engagement and notable contribution to HIV counselling paved the way for introducing psycho-social counselling for TB. Currently, Saksham has three major grants in TB Counselling, Community Engagement and HIV Evaluations.

Saksham Pravaah is the TB vertical of Saksham that introduced psycho-social counselling for DR TB patients in Maharashtra, Gujarat, Karnataka, and Rajasthan and has demonstrated the need for moving beyond the "bio-medical", “disease control” approach to addressing social determinants of TB — stigma, gender, and mental health.

During the year under review, Saksham Pravaah Counsellors reached out to 13,600 People living with Drug Resistant TB (PwDRTB) and their caregivers. In total, from programme initiation in October 2015 until June 2022, Saksham Pravaah has provided counselling and psycho-social counselling to 90000+ PwDRTB and their caregivers across the 4 implementation states. They have also linked 1697 PwDRTB and their family members to Social Protection Schemes and provided nutrition support costing Rs.51,06,816 to 6285 PwDRTB and their family members.

Saksham Pravaah also trained 83 DR TB Counsellors across India employed under the NTEP on counselling skills. This is the first time in the history of the National TB Programme that capacity building on Counselling has been conducted.

Saksham Saathis are TB survivors who undertake telephone counselling to address stigma, presenting a positive picture of TB treatment, debunking the myths around TB and emphasise the importance of treatment adherence. The model was presented to the Municipal Corporation of Greater Mumbai and integrated within the NTEP from November 2021 onwards in Mumbai whereby 24 Saksham Saathis are placed within the TB Centres in Mumbai. Such a model is unprecedented and received a lot of media attention.

Saksham Pramaan serves as the HIV vertical of Saksham for three years from 1 April 2021 to 31 March 2024. Two minor and one major research studies will be undertaken by TISS. TISS was honoured to receive a team from NACO INDIA led by Shri Alok Saxena (Additional Secretary/Deputy General) on 8 June 2022. The NACO team was visiting TISS to discuss the progress of activities under the Saksham Pramaan project.
The first Batch of DR TB Counsellors planted a tree at TISS to commemorate the training programme

NACO officials with the Saksham Pramaan Team
NATIONAL UNIVERSITY STUDENTS’ SKILL DEVELOPMENT PROGRAMME

Between June 1, 2021 and May 31, 2022, 1106 students from 25 colleges in Maharashtra and Gujarat were trained in various skills for employment.

Thirty-one webinars were conducted for students during the same period.

In July 2021, TISS signed an MoU with Schaeffler, a leading German auto-component maker, to implement the project in Pune, Maharashtra. This came in after successfully implementing the project in Vadodara, Gujarat in the last academic year. Under the proposal, 371 students from four colleges in Pune were trained for employment.

CENTRE OF EXCELLENCE IN CORPORATE SOCIAL RESPONSIBILITY

The Centre of Excellence in CSR (CECSR) is carrying out domain-specific activities under three divisions: (i) Research & Development; (ii) Learning, Training and Development Practice; and (iii) CSR Projects Review and Empanelment.

The Research & Development division of the CECSR engages with companies to conduct evidence-based and participatory research to help them adopt effective and impactful CSR approaches. During 2021-2022, the Centre undertook 15 research projects spread across different states of India and covered need assessment studies, monitoring and evaluation projects, social impact assessments, and advisory and consultancy services. These projects were sponsored by Hindustan Aeronautics Ltd., South-eastern Coalfields Ltd., Western Coalfields Ltd. Northern Coalfields Ltd., RailTel Corporation of India Ltd., Hindustan Colas Pvt. Ltd., CLP India, UTI Asset Management Company Ltd., and J M Financial Foundation.

The empanelment of Not-for-Profit Organisations is another activity of the Centre with a view to create a model to evaluate, assess, accredit and build capacities of the organisations through a robust multi-layered scrutiny process. The Centre took up applications related to the empanelment of 34 Not-for-Profit Organisations during 2021-2022.

The Centre is also collaborating with Protean eGov Technologies Ltd. (formerly NSDL e-Governance Infrastructure Ltd.) to create an online education funding ecosystem titled Vidyaasarthi. It is a platform which brings together corporates with CSR funds and deserving underprivileged students looking for financial assistance. During 2021-22, 18 corporates supported the Vidyaasarthi initiative benefitting over 2000 students in the country.

FACULTY AND ACADEMICS

Research

During the year under review, 198 research projects were ongoing at the Institute. TISS research is characterised by topicality, social applicability and policy and programmatic relevance. A mention of a sample of research areas will illustrate this point.

The School of Habitat Studies was engaged in several environment related topics including research on low-cost innovation technology for water resources management for urban and rural water systems, policy pathways for aligning livelihood restoration of riverine communities with conserving Ganga, Fast Forward to SDG 6: Acceptable and affordable water in Secondary Indian cities, pesticide risk assessment and mitigation, agricultural interventions and farmers’ well-being, forest sustainability and livelihood strategies, and community forest resource management plan and livelihood issues.

The Jamshetji Tata School of Disaster Studies investigated epidemic resilient communities, disaster resilience leadership, transboundary water governance, infusing gender in disaster pedagogies, disaster risk assessment in urban resettlement processes, heatwave vulnerability, and similar other climate change topics.

Migrants, migration, home and belonging, and changing mobility patterns and risk behaviour was a theme explored by faculty in Schools of Development Studies, Social Work and Health Systems Studies. Mental health and well-being of marginalised groups and school students, and its gender dimensions and post-Covid manifestations were examined by the School of Human Ecology and Health Systems Studies. Transition to digital technologies in the context of health, education, safety and well-being and gendered access to digital technologies was a cross-cutting theme across Schools. Gender equality in Hindi cinema was another key theme explored by the School of Media and Cultural Studies.

Studies on issues related with various forms of disability were carried out by faculty from the TISS Tuljapur Off-Campus and the Advanced Centre for Women's Studies.

A few researches were in cross-cultural contexts. Researchers at the Centre of Excellence for Teacher Education (CETE) undertook a UNESCO commissioned study on the Role of Non-State Actors in the Teaching Profession and Teacher Education in South Asia covering Afghanistan, India and Nepal. JTSDS explored multi-hazard resilience of HEIs in the Asia-Pacific context.

Publications

During the year, TISS faculty produced over 500 publications including 203 peer-reviewed journal articles, 107 chapters in books, 24 authored/edited volumes, and 99 other writings. The Research Scholars’ publication count was 45. The IJSW, now in its 83rd year of uninterrupted publication, brought out a special issue on the ‘Emerging Discourse on Queer Affirmative Mental Health Practice in India’. CETE faculty authored the UNESCO State of the Education Report for India 2021, titled No Teacher, No Class.
Field Action Projects

Field Action Projects (FAPs) are unique to the Institute and currently, over 30 of them are active. Collectively, these address a host of societal issues and reach out to a range of marginalised population groups. Besides serving the communities, most FAPs also impact government policies and programmes, demonstrate implementable models, and initiate reforms and good practices.

The work of Prayas (School of Social Work) in prison reforms and advancing rights of undertrials and prisoners, is receiving wide recognition by various state governments and the Courts. In 2021, Prayas signed an MoU with the Home Department, Government of Maharashtra (GoM), to institutionalise the role of social workers in the prison system. The efforts of Prayas led the GoM to provide cash subsistence as part of COVID relief to women rescued from commercial sexual exploitation. In February 2022, the Uttarakhand High Court invited Prof. Vijay Raghavan of Prayas to serve on the high-powered three-member committee for making recommendations to improve prison conditions in the state.

The Special Cell for Women (School of Social Work), initiated in 1984, with its institutionalised presence in 6 states of India has now upscaled its work to 11 districts of Assam through its Special Cells and Community Approach (SCCA) initiative. The project, supported by Jhpiego India, aims to strengthen response to gender-based violence and access to Sexual and Reproductive Health Rights in the State by bringing together local grassroots organisations and groups engaging on women's issues.

iCALL (School of Human Ecology), in collaboration with WhatsApp, launched a Chatbot for offering resources on mental health and well-being. Against the backdrop of the Ukraine crisis, iCALL launched a special helpline to provide emotional support for Indian students in Ukraine and their parents. iCALL was featured in BBC’s Facing Forward film series for bridging the mental health care gap in India.

Koshish, works on issues of homelessness and as the knowledge partner of Social Welfare Department of Bihar State, was behind the design of a national rehabilitation
intervention titled “SMILE: Support for Marginalised Individuals for Livelihood and Enterprise”. Launched on 12 February 2022 by the Ministry of Social Justice & Empowerment, GoI, the intervention aims to provide welfare and rehabilitation to the transgender community and people engaged in the act of begging.

Inspired by the work of Koshish, filmmaker Mr. Kireet Khurana, a National Award winner, made a documentary film, *The Invisible Visible*, to capture the issue of homelessness and destitution through the journey of Koshish. The film won the Swedish International Film Festival award 2022.

**Seminars, Conferences, Workshops and Training Programmes**

During 2021-2022, TISS faculty organised and participated in more than 1,000 programmes. The Institute organised the 13th ‘In Service’ Training Programme for 27 All India Service Officers on ‘Social Policy and Governance’ and also participated in the EU-India Education Summit on “Collaborations and Strategic Partnerships” in Mumbai.

AWARDS, FELLOWSHIPS AND RECOGNITION

Our faculty, students and alumni continued to make us proud with recognition through awards and fellowships.

- **The Centre of Excellence in Teacher Education** (TISS Mumbai) was honoured as a knowledge partner by the Government of Delhi for developing the ‘World of Work’ curriculum in the School of Specialised Excellence (SoSE) that was launched last year. World of Work is a unique curriculum component to introduce students to professions and vocations related to humanities and social sciences.

- **Prof. Abdul Shaban** (School of Development Studies, TISS Mumbai) received the prestigious Visiting Fellowship at the Université de Paris (University of Paris) for joint research and to build a global research project with Prof. Philippe Cadene (Director, Geography, History and Societal Studies).

- **Prof. S. Siva Raju** (School of Development Studies, TISS Mumbai) was awarded the 2021 Jyeshtha Ratna Award by the Centre for the Study of Social Change (Mumbai) and the Regional Resource and Training Centre, Ministry of Social Justice and Empowerment, GoI.

- **Dr. Chetna Duggal** and **Dr. Sukanya Ray** (School of Human Ecology) were part of the team that received the Judges Special Recognition Award at the India Innovation Challenge organised by The George Institute India Health Accelerator in association with UNICEF India. Their innovation “Ubuntu” is based on an implemented, proven multi-layered model of reparative reconstruction and local-level community capacity building for frontliners that is both trauma-informed and IASC guidelines checklisted.

- **Prof. A. Ramaiah** has been selected by the Council on Social Work Education (CSWE) and Global Commission for International Social Work Education to be the 16th Hokenstad Lecturer at the CSWE Annual Programme Meeting (APM) that was held in November 2022.

- **Dr. Akhilesh K.S. Yadav** (Centre for Library and Information Management Studies, TISS Mumbai) won the 2021 Emerald SLINBAM LIS Research Fund Awards and received a grant of UKP 2000.

- **Dr. Shamin Padalkar** (Centre of Excellence in Teacher Education, TISS Mumbai) was selected as a member of the Indian National Young Academy of Sciences (INYAS) under the category of ‘science education’.

- **Dr. Kamal Kumar Murari, Dr. Unmesh Patnaik** (both from School of Habitat Studies) and **Prof. Bino Paul** (School of Management and Labour Studies) were part of a team that was granted the Deutsche Patent (Utility Model) for the invention of methodology in the area of Resource Planning and Analytics.

- **Prof. P.K. Shajahan** (Dean, Academic Affairs) was elected as Co-President, along with Prof. Mary Watson (The New School, New York) of the Critical Edge Alliance (CEA). TISS is one of the eight members of the CEA.

- **Prof. Vijay Raghavan** (Centre for Criminology and Justice, School of Social Work) was awarded the Influential Scholar Award awarded by the 18th International Annual on Human Trafficking and Social Justice Conference and the Global Association of Human Trafficking Scholars.

- **Dr. Saigita Chitturu** (Centre for Lifelong Learning, School of Social Work) received the “Distinguished Achievement Award, 21-22” as part of the Global Academic Excellence Award instituted by EMG-SSM Trust based in Tamil Nadu.

- **Pragya Sachan** (Research Scholar) was selected for the XVII International Sociological Association International Laboratory for Ph.D. Scholars, on the theme of “Precarization and Resistance:
Environment, Everyday Life and Citizenship” from 5-11 September 2022 at Tunisia.

- A team of four First Year students of Master of Hospital Administration – **Alisha Parida, Archana S., Nipun Sreenivas, and Suyash Khubchandani** – won the First Prize at OpsSamasya 2.0, case study competition organised by SKEIN-IIM Udaipur.

- **Vipul Kumar** (M.A. in Urban Policy and Governance) won the Special Mention Award for his M.A. dissertation at DAIDA Foundation Global Thesis Award.

- **Neeraja Sajan** (Ph.D. Scholar) was selected for the Fulbright-Nehru Doctoral Research Fellowship 2021-2022. During the Fellowship, she was affiliated to the University of New Mexico, Albuquerque.

- **Bhavya Jain** (Ph.D. Scholar) was awarded the Newton-Bhabha Ph.D. Placement Grant 2020-21 under ICSSR (India) and British Council (UK). She was affiliated with the University of Swansea, UK.

- **Mamta Chaudhary** (2015-2017 Batch, M.Phil. in Public Health – TISS Mumbai and currently Ph.D. Scholar) was selected for the UPSC Indian Statistical Services (ISS) 2020 with an All India Rank of 21.

- TISS Alumna, **Dr. Preethi J.** (Batch of 1994-1996) was one of the five women chosen for the 2021 Cohort of Harvard LEAD Fellows. The Harvard LEAD Fellowship for Promoting Women in Global Health is offered by the Harvard Global Health Institute and the Women and Health Initiative (at the Harvard T.H. Chan School of Public Health).

Ms. Mamta Chaudhary, (M.Phil. Batch of 2015-2017 and currently pursuing Ph.D. from the School of Health Systems Studies) was selected for Indian Statistical Services 2020 with an All India Rank of 21
STUDENTS

Enrollment

Student enrollment for 2021–2022 totalled 4,426 across all campuses. This included 286 in the Bachelor’s, 2,618 in the Master’s, 98 scholars in M.Phil., 1043 for Ph.D., and 381 students in the Nirantar Diploma and Certificate programmes. In addition, the School of Vocational Education (SVE) enrolled 1759 students in 14 sectors and 33 Programmes and imparted education to 6500+ students of 2nd and 3rd year of B.Voc in 16 Sectors at 95 locations.

*Students of the TISS Hyderabad Off-Campus planting a tree on re-opening day*
Office of Students’ Affairs

The Office of Students’ Affairs (OSA) continued reaching out to students and addressed their concerns with creativity and compassion. The students also demonstrated extreme resilience in navigating through the uncertainties all around.

Financial Support

TISS strives to provide access to socially relevant quality higher education to all students, and we have a dedicated mechanism in place to support students. The OSA uses internal resources from TISS to help students from economically and socially weaker contexts and mobilises funding from external sources on a need-cum-merit basis. This academic year, the total financial support offered to students was Rs. 1,56,55,940.00. We extend our thanks and heartfelt gratitude to MVBS Scholarship, Tata Trusts, JM Financial, Cognizant Foundation, Bridge and Allana. We also wish to acknowledge the individuals who have donated towards the student aid corpus, whose contributions have totalled Rs.13,40,590.

In addition, the OSA facilitated three new scholarships with the support of alums, which will be rolled out from the next academic year: (i) Late. K.C. Madhusudan Memorial Scholarship (initiated by the Batch of 1989, for School of Management and Labour Studies); (ii) Late Rajib Das Memorial Scholarship (initiated by Batch of 2000, School of Social Work, Rajib’s friends and TISS); and (iii) Shobha Nenavath Scholarship for Education of girls from disadvantaged communities (TISS Hyderabad Off-Campus).

Yoga and Well-being

The OSA conducted online yoga sessions for students throughout the year. Alongside the regular yoga sessions, we also celebrated International Yoga Day.

The 8th International Yoga Day celebrations was spread across June and July 2022 with various competitions and a series of yoga sessions at the institute. As part of Azadi ka Amrit Mahotsav, various competitions were organised across the TISS campuses, which included Rangoli, Poster, Jingle, Slogan, Quiz, etc.

All the events were based on the theme of “Yoga for Humanity”. Around 200 Students and employees participated in these events with great enthusiasm. The sessions covered included many asanas and also covered facial yoga and breathing practices, chair yoga,
strengthening the spine and meditation, which can be practised almost every day.

**Counselling Support**

The team of counsellors as always have been using creative ways of reaching out to students. Amidst the ongoing pandemic, uncertainties the counsellors reached out all students through social media, WhatsApp calls, chats, mails as well as offline sessions. Other than the individual sessions, the counsellors also engaged in conducting awareness sessions and group sessions. The Counselling Centre has trained 41 peer counsellors to play a key role in promoting students’ mental health on campus.

**Connecting with Alumni**

The 2021-2022 academic year will be remembered as reconnecting with our alums at various levels through online and offline interactions, including social media. Through these meetings, we hope to reconnect with our alums, collaborate and engage with them for educational opportunities and research, and seek their support for scholarships and student placements.

These interactions included (i) a meet-up of in London on 5 March 2022, where alums from 13 programmes from TISS Mumbai and TISS Tuljapur connected in both offline and online modes; (ii) the first official meeting of TISSQUAD-Australia, also in a hybrid mode, was held on 20 May 2022 at Melbourne; (iii) a meet with alums based in Tamil Nadu on 26 May 2022.

All our alums are doing pathbreaking work in niche areas, and there is much to learn from them. We look forward to more meets and events to share and bond. Big journeys start with small steps.
Connecting with TISS alumni based in Tamil Nadu on 26 May 2022

The first official meeting of TISSQUAD-Australia was held on the 20 May 2022 in Melbourne
SUSTAINABLE INFRASTRUCTURE DEVELOPMENT

Installation of Solar Energy Plant at the TISS Tuljapur Off-Campus

To move towards sustainable energy usage, the Tuljapur Off-Campus has entered into a contract with Tata Power and installed a Solar Power Plant with a capacity of 202 KW. This plant will supply power to all the buildings on campus. Once the Solar Power Plant is operational, there will be considerable cost-savings for the Institute. The Plant will be operated by Tata Power for 15 years after which, it will be handed over to the Institute.

Plantation of Ingenious Species to Promote Biodiversity

The Tuljapur Off Campus has approximately 25-27 hectares of land under tree cover, of which nearly 14 hectares are covered with invasive species threatening indigenous biodiversity. The Action Plan of the Forest Department envisages removing invasive species and replanting ingenious species to maintain the biodiversity and ecological balance of the area.

Towards this, the Tuljapur Off-Campus undertook replantation work in coordination with the Social Forestry Department, Osmanabad District.

A total of 22,400 saplings (1,600 plants per hectare) of 22 different indigenous species have been planted after removing the invasive species.

The Social Forestry Department will take care of and maintain the plantation till 31 March 2025, while the Off-Campus will provide protective irrigation for the new plants.
Women and Gender Development Cell and Internal Committee

The Women and Gender Development Cell (WGC) at TISS Mumbai started its activities for 2021–2022 with an Orientation Session for the incoming batch of Master’s students in July 2021. During the year, the WGDC continued its work in making the campus a more gender-aware space for all stakeholders.

The gender-aware code for teaching and non-teaching staff, that was rolled out in November 2019, was further developed in an online format in 2020, and continues to be for amongst all TISS employees. In October 2020, the WGDC began efforts to build a gender policy at TISS, that will work towards making Institute policies and vocabulary more gender-inclusive, in keeping with national and international conventions. The WGDC has been continuing conversations on this, to generate both a gender policy and a sexual harassment policy for TISS, keeping in mind the guideline documents.

In keeping with the mandate of the UGC, the TISS WGDC has a student-centred Gender Advocates Programme that follows and builds on the UGC mandate of Gender Champions to cater to the post-graduate student community. The Gender Advocates are selected from among volunteers in the first year of Master’s Degree programmes, and are responsible for awareness and advocacy. This year, the WGDC has 21 advocates across programmes. They have been generating feminist calendars to focus on hitherto invisible histories of gender-sexuality in the subcontinent every month. These are available at https://tiss.edu/view/6/women-development-cell/campus-conversations/ and are an inspiring testament to perspectives emerging among the student community.

Campus Conversations is an initiative of the WGDC in collaboration with the Association of Commonwealth Universities (ACU). [more at https://www.acu.ac.uk/news/acu-gender-grants-2020-advancing-equity-and-equality-across-the-commonwealth/]. As part of this initiative, which began in December 2020, the WGDC conducted two major events:

During the year, the WGDC conducted the following workshops:

- Workshop on ‘Masculinity and Power’ on 3 July 2021 with Altamash Khan (Gender Trainer and Programme Coordinator for Men Against Violence and Abuse) as the resource person.

- Five workshops on consent, workplace gender dynamics, sexuality and the Prevention of Sexual Harassment (PoSH) Act in Hindi and English, 30 July 2021 to 27 August 2021 for the staff of the Institute.

- The WGDC collaborated with Bishakha Datta from Point of View (PoV) to organise workshops on Sexuality and Obscenity in the Internet Age on 16 and 18 September 2021. These workshops were a part of the ACU ‘Campus Conversations’ initiative. Both the sessions had considerable participation from the student body.

In 2021-2022, the Gender Advocates brought out two issues of WGDC newsletter, Across the Margins. In the words of the editorial team, the aim of the newsletter is to build a dialogue across the margins on the varied contexts of discrimination members of the student body confront and to cultivate a space that can highlight people’s work, whether they’re writers, poets, artists, or make memes during breaks, or no matter the language they articulate their thoughts in.

The inaugural issue was brought out in June 2021 and the second issue in November 2021 on the theme of ‘Desire in the Pandemic’. The editorial team accepted entries from the student body, giving them the platform to present their thoughts on the matter.

On 9 December 2021, on the anniversary of the notification of the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013 (also referred to as the “POSH Act”), the WGDC shared a timeline of events and movements that lead to the codification of the act.

As part of the Gender Weekend, an annual event led by the Gender Advocates (this year in collaboration with ACU) was held on 26-27 February 2022. A Gender Quiz on the theme ‘Gender in Media’, a movie discussion with a filmmaker Tulika Bhattacharya titled Cinema Paithiyam, in collaboration with Adda Film Club, SMCS, and an open mic were hosted.

SC/ST and EO Cells

The primary objective of the SC/ST Cell and Equal Opportunity Cell (EO Cell) of TISS is to ensure, as mandated by law, that the reservation policy is implemented both in admission and recruitment, and that neither students, faculty members or staff of TISS are subjected to any kind of discrimination or deprivation or harassment on the basis of their social identity; in other words, for being the member of a particular caste or tribe. Some of the mandated activities that these Cells undertook during the academic year 2021-2022 are enumerated here.

Orientation Programmes: An Online Pre-Admission Orientation Programme (PAOP) was organised for SC/ST and OBC candidates who had applied for the TISS-NET. A Post-Admission Orientation Programme was conducted for the students belonging to SC, ST, OBC and Minority communities on the kind of support provided by the Cell; the responsibilities of students to avail of these supports; the various government schemes available; and the eligibility criteria to avail of these schemes.

Representation in Admission and Recruitment Panels: TISS ensures that in every admission panel or recruitment panel, there is representation of a faculty member from the SC/ST background. This is to see that every SC/ST candidate competing for admission is given a fair chance of being selected.

Facilitating Students to Apply for Scholarships/Fellowships: One of the important activities that the SC/ST and EO Cells engage on a regular basis is to facilitate students from the reserved categories applying for various kinds of government scholarships.
Administration

Appointments, Promotions and Retirements: There are 162 permanent and 92 Ad-hoc faculty members across the TISS Campuses. The total number of permanent, non-teaching staff is 169. Six faculty appointments and 14 faculty promotions were made in 2021-2022. One faculty member superannuated this year.

Long Service Award: The following TISS employees completed 20 years of service at the Institute and were felicitated on Institute Day.

- Prof. Harshad Thakur, School of Health Systems Studies
- Prof. Anil Sutar, School of Research Methodology
- Prof. Manjula Bharathi, School of Habitat Studies
- Prof. D.K. Srivastava, School of Management and Labour Studies

In Memorium

TISS mourns the passing away of Prof. Vimla Nadkarni (Retired) on 20 November 2021, and Dr. Anjali Kulkarni (Associate Professor, TISS Tuljapur Off Campus) on 22 January 2022. We remember their invaluable contribution to the growth of the Institute.

The TISS Hyderabad Off-Campus held its 8th Annual Convocation on 7 January 2023, where 2 students were awarded their Doctor of Philosophy, 1 their Master of Philosophy degree, and 135 their Master’s degree. The TISS Guwahati Off-Campus had its 9th Annual Convocation on 4 February 2023, where 4 scholars were awarded their Doctor of Philosophy, 7 their Master of Philosophy, 104 students their Master’s degree, and 38 their B.A. in Social Sciences degree.

At the 82nd Annual Convocation of TISS being held on 11 February 2023, 1161 students and scholars will be conferred their degrees as follows. From TISS Mumbai, 63 will be awarded their Doctor of Philosophy and 59 their Master of Philosophy degrees, while 883 students will receive their Master’s Degree in various programmes (this includes 50 students from the BALM Centre, Chennai); From TISS Tuljapur Off Campus, 1 will be awarded Doctor of Philosophy, and 6 their Master of Philosophy degrees, 109 will graduate with a Master’s degree, and 40 with a Bachelor’s degree.
IN CONCLUSION

We thank the Ministry of Education and various other ministries notably MoSJE and Ministry of Tribal Affairs, the UGC, and several funding organisations for their cooperation and support. Our sincere thanks to the Chief Ministers of Telangana, Assam and Maharashtra, and the secretaries and other officials in state ministries for their generous goodwill and support. Our special and sincere thanks to Tata Trusts for the financial support extended to the Institute. Our sincere appreciation to all the companies in the corporate and industry sector, central and state government ministries and departments, and civil society organisations, who came forward for offering placements to our students.

No words are enough to thank Shri S. Ramadorai, former Chairman of the Institute’s Governing Board for his generous support with his time, mentorship and connect with key partners and stakeholders, for his deep sense of commitment and understanding for what the Institute stands for, and for his warmth and goodwill towards the Institute.

Thanks are also due to external members of the Governing Board, the Academic Council, and the Finance Committee. We are also immensely grateful to all our funders and those who have provided scholarships and fellowships for students.

The faculty, administrative, secretarial and support staff, students, and all officials, contributed to making 2021-2022 yet another memorable year when we all grappled with challenges of COVID-19 and emerged winners.

### Field Action Projects

**AAPTI: An Avenue for Psychosocial and Therapeutic Interventions, estd. 2008**

**Mumbai**

**Sponsor** : Jamsetji Tata School of Disaster Studies

**Objectives** :
- Understand and document the unique needs, concerns and issues of the survivors
- Study the recovery process and analyse the influencing factors in the Indian context
- Develop and test indigenous theoretical models of response and advocate for appropriate policy change.

**Programmes** :
- Virtual exhibition on “26/11, Memories, Hope & Way Forward” that focuses on 26/11 as the primary terror event to capture the everyday lived realities of terror survivors a decade after the event
- Dissemination of the Virtual Exhibition among State institutions, and building partnerships for fund raising for the future activities of the project
- Creating a webpage for the dissemination of the virtual exhibition
- Preparation of two manuscripts for publication and book proposals for the same.

**Project Staff** : Allan Alex Mathew (Pro Bono), Pritha Chowdhury (Pro Bono), Katyayini (intern), and Kartikey Kamatak (Independent Media Consultant)

**Faculty In Charge** : Prof. Jacquleen Joseph

**Transforming M-East Ward, estd. 2011**

**Mumbai**

**Sponsor** : ECGC, ADB, MCGM

**Objective** :
- To pilot and demonstrate projects for sustainable and inclusive development of M-East Ward, and thereby develop action-led theoretical models relevant to Global South.

**Programmes** :
- Study centre and library
- Research on disasters and the urban poor
- Health vulnerability and COVID response.

**Project Staff** : Avinash Madhale, Shubham Kumar, Simpreet Singh, Avinash Kaur, Reshma, Vijay Sapkal, and Nehal.

**Faculty In Charge** : Mr. Mahesh Kamble

**Nepal Earthquake Recovery Support Programme, estd. 2015**

**Sindhupalchowk, Nepal**

**Sponsor** : Disaster Technical Support Facility

**Objectives** :
- Support community-based approaches to recovery
- Strengthen capacities of Nepal-based institutions
• Support and work in partnership with the national and the inter-agency cluster system
• Integrate social inclusion in recovery to address the vulnerabilities of the most marginalised.

Programme: • Submission of proposals for future funding.

Faculty In Charge: Prof. Jacquleen Joseph

Disaster and Beyond, estd. 2017
Osmanabad

Sponsor: True North Pvt Ltd.

Objective: • Participatory drought mitigation: A pilot project in the select villages of Osmanabad District, Maharashtra.

Programmes: • Preparation of Annual Report
• Preparation of creative material (poster and video) for reporting to the funder
• Mid-term evaluation of the field action project
• Academic and administrative processes to partner with the TISS Tuljapur Off-Campus for monitoring and supporting the long-term sustenance of the project
• Preparation and submission of proposals for future grants
• Developing partnerships for future work
• Preparation of Best Practice Case Studies for the NIDM compendium of best practices.

Project Staff: Priyanka Tajane (Pro Bono), Allan Alex Mathew (Pro Bono), and Mr. Kartikey Karnatak (Pro Bono).

Faculty In Charge: Prof. Jacquleen Joseph

Strengthening Capacity of the National Urban Health Mission, estd. 2020
Mumbai

Sponsor: Asian Development Bank

Objective: Expedite COVID-19 response by strengthening capacities of NUHM.

Programme: • Interventions on improved access to water, sanitation and hygiene (WASH)
• Continuation of essential health services along with referral and laboratory linkages
• Development of context specific risk communication and an IEC strategy.

Project Staff: Avinash Madhale and Others

Faculty In Charge: Mr. Mahesh Kamble

Flood Mitigation in Maharashtra, estd. 2021
Mahad, Chipuln, Kolhapur

Objective: • Advocacy for flood mitigation strategies in Maharashtra.

Programmes: • River de-siltation, community meetings, conferences, advocacy.

Faculty in charge: Mr. Mahesh Kamble

### Field Action Projects

**Transforming M-East Ward**, estd. 2011
Mumbai

- **Sponsor**: ECGC, ADB, MCGM
- **Objective**: To pilot and demonstrate projects for sustainable and inclusive development of M-East Ward, and thereby develop action-led theoretical models relevant to Global South.

- **Programmes**:
  - Study centre and library
  - Research on disasters and the urban poor
  - Health vulnerability and COVID response.

- **Project Staff**: Avinash Madhale, Shubham Kumar, Simpreet Singh, Avinash Kaur, Reshma, Vijay Sapkal, and Nehal.

- **Faculty In Charge**: Prof. Amita Bhide

**Strengthening Capacity of the National Urban Health Mission**, estd. 2020
Mumbai

- **Sponsor**: Asian Development Bank
- **Objective**: Expedite COVID-19 response by strengthening capacities of NUHM.

- **Programme**:
  - Interventions on improved access to water, sanitation and hygiene (WASH)
  - Continuation of essential health services along with referral and laboratory linkages
  - Development of context specific risk communication and an IEC strategy.

- **Project Staff**: Avinash Madhale and others

- **Faculty In Charge**: Dr. Amita Bhide

Field Action Projects

iCALL, estd. 2012
Mumbai India

Sponsor: Mariwala Health Initiative, UNFPA, Americas India, and Zoomcares

Objectives:
- To provide information, emotional support and referral linkages to individuals in distress through technology-assisted counselling interventions (with a special focus on marginalised communities)
- To build capacities of mental health and helping professionals & other stakeholders involved in mental health service provision
- To provide consultancy and services for developing helplines and other mental health services
- To carry out relevant research activities in mental health, psychosocial distress and counselling
- To enhance awareness about mental health issues
- To actively initiate partnerships and collaborations to promote the well-being of communities and to develop effective psycho-social interventions/responses.

Programmes:
- Provision of technology-assisted mental health and psychosocial well-being services
- Capacity enhancement of mental health and helping professionals
- Research and awareness generation.

Faculty In Charge: Dr. Aparna Joshi

School Initiative for Mental Health Advocacy (SIMHA), estd. 2017
Mumbai

Sponsor: SBI Foundation and Porticus, The Hans Foundation

Objectives:
- Mental Health Advocacy: To advocate for child and adolescent well-being with policy makers, school leadership, teachers, students, and parents by increasing mental health awareness and integrating mental health promotion, prevention and intervention in schools
- Capacity Building: To train and empower school leaders, teachers and counsellors to create safe and emotionally healthy spaces in schools, promote child and adolescent wellbeing and support young people experiencing mental health concerns, with a special focus on vulnerable groups and contexts
- Research: To conduct high-quality research in the Indian context on child and adolescent mental health and on creating schools/educational systems as communities of care with the aim of documenting current practices and developing contextually relevant programs for mental health promotion, prevention and intervention.

Programmes:
- SBI Foundation Grant for two years to develop manuals, tools and govt. collaborations
- THF grant for M&E of School Health Clinic Pilot Project of Govt of NCT
- Resilience Initiative for Mothers and Children (RIMC) - Porticus Grant.

Project Staff: Kanak Kataria, Neetu Rana, Diana Cherian and other SIMHA team members

Faculty In-Charge: Dr. Chetna Duggal

Sukoon, estd. 2017
Mumbai and Various districts of Maharashtra

Sponsor: Mariwala Health Initiative

Objectives:
- Address well-being of couples and families in legal and community contexts
- Conduct research in areas related to couple and family well-being in India
- Liaise with and build capacities of key stakeholders within Legal Systems
- Demonstrate a replicable psychosocial counselling service model for couple and family well-being in Legal Settings

Programme:
- Provision of psychosocial counselling services to litigants approaching courts with matrimonial issues
- Research and capacity enhancement
- Expanding and initiating new Sukoon centres in Mumbai and other districts of Maharashtra.

Project Staff: Amrita Joshi, Jayesh Kande, Sneha Dsilva, Madhavi Joshi, Chitra Pareek, Lima James, Manjusha Deshmukh, Yogita Chaudhary, Milind Wanjare, Vanita Raut, and Swati Mali

Faculty In-Charge: Dr. Aparna Joshi

Rahbar, estd. 2019
Mumbai

Objectives:
1. Research & Documentation
   - To conduct high-quality research on psychotherapy and supervision in the Indian context with the aim of documenting current practices and mapping the needs of supervisors and supervisees
   - To build a culture of evidence-based practice in supervision by creating supervisor training frameworks drawn from empirical research in the Indian context
   - To build contextual models of supervision unique to the socially embedded realities of mental health practice in India
   - To evaluate the feasibility and impact of training and professional support interventions for supervisors
2. **Training and professional development**

- To develop contextualised frameworks for supervisor training which are anchored in social justice and the cultural landscape of mental health practice in India.
- To weave key concepts from theory and research on supervision (e.g. models of supervision, supervisee development) into the training framework and encourage critical reflection on their applicability in our context.
- Adopting a developmental perspective which is responsive to supervisor and supervisee professional development across various stages in the professional arc.
- To collaborate with mental health professionals in remote parts of the country and facilitating professional development and creating supportive spaces using peer networks and technology.
- To create a database of supervisors in India, highlighting their experience, training and philosophy of supervision.

**Programmes**
- Post Graduate Diploma in Supervision for Mental Health Practice, Invited lecture series and Trainings.

**Project Staff**
- Bakul Dua and Arushi Kothari

**Faculty In Charge**
- Dr. Chetna Duggal

**Publications**

**Ms. Anahita Bhandari**

**Dr. Chetna Duggal**

**Dr. Aparna Joshi**

**Prof. Rajani Konantambi**

**Ms. Sukanya Ray**

Field Action Projects

CENTRE FOR COMMUNITY ORGANISATION AND DEVELOPMENT PRACTICE

Mumbai Education Research Innovation and Training (MERIT), estd. 2014

Sponsor: P.M. Foundation

Objectives:
• Support underprivileged children and youth in education and employment through creating a support network, training and capacity building
• Enable children from underprivileged sections to develop an aptitude for science through science camps.

Programmes:
• Creating a local network of support team at different locations
• Mentoring for school children for higher studies
• Providing fieldwork learning opportunities for Social Work students of TISS and other institutions.

Faculty In Charge: Prof. P.K. Shajahan

TISS-Tata Motors Ltd. Fellowships for Development Practice, estd. 2015

Pune, Lucknow, and Chandigarh

Sponsor: Tata Motors Ltd.

Objectives:
• To bring in young professionals to contribute to CSR initiatives of the company at various locations.

Programmes:
• Rural community development, COVID-19 response, sectoral projects initiated by the company.

Project Staff: Somnath Dadas, Muhammed Raees, and Satyam

Faculty In Charge: Prof. Mouleshri Vyas

Basic Education in Skill and Technology (BEST), estd. 2018

Maharashtra and Gujarat

Objectives:
• Skill and aptitude assessment among school children for various skills and technology
• Offering various skill development activities in schools along with regular curriculum
• Developing trained instructors to carry out the training in the respective schools
• Setting up workshops in intervention schools.

Programmes:
• Skill training to master trainers
• Offering the BEST programmes in two schools
• Assessment and certification of students completing the BEST modules.

Faculty In Charge: Prof. P.K. Shajahan

CENTRE FOR CRIMINOLOGY AND JUSTICE

Prayas, estd. 1990

Mumbai, Thane, Raigad and Latur (Maharashtra) and Bharuch and Narmada (Gujarat)

Sponsors:
• Azim Premji Philanthropic Initiatives, Balaji Foundation, HDFC Bank CSR, Lal Family Foundation, Motivation for Excellence Trust, Rohini Nilekeni Philanthropies, Tata Motors, Tree of Life Foundation, Western Union CSR, and Individuals

Objectives:
• To demonstrate the need for social work intervention in the criminal justice system, such as police stations, prisons, courts and institutions for women
• To work towards rehabilitating persons coming out of or vulnerable to crime, sexual exploitation or destitution
• To improve access to the legal rights of persons processed by the criminal justice system and to promote the use of correctional laws to aid the rehabilitation of vulnerable groups
• To identify issues relevant to rehabilitation and attempt to address them at the policy level
• To increase awareness in government and society about issues related to the rehabilitation of persons affected by crime, sexual exploitation or destitution
• To generate knowledge in the field of social work, criminology, rehabilitation and social re-integration through research, documentation and analysis of field experience.

Programmes:
• Protection of legal rights and rehabilitation of vulnerable groups in criminal justice
• NGO Placement Programme, a specially designed rehabilitation model for criminal justice or socially stigmatised populations
• Advocacy of law and policy change related to legal rights and rehabilitation of marginalised groups in criminal justice through research and documentation of field experiences
• Organise workshops, seminars, and training programmes with stakeholders to effectively implement correctional laws and policies

• Creation of multi-stakeholder platforms at district, state and national levels towards effective coordination among government departments, agencies and civil society organisations.

Faculty In Charge: Prof. Vijay Raghavan and Dr. Sharon Menezes

Resource Cell for Juvenile Justice, estd. 2005
Pune

Objectives:
• Engage with the Juvenile Justice System (JJS) and work towards a child friendly implementation of the Juvenile Justice Act (with special focus on JCL)
• Work on issues related to rehabilitation and social integration of children into society
• Build capacities of JJS functionaries towards their effective functioning in the system
• Generate knowledge and information on various aspects related to children in the JJS.

Programmes:
• Help Desk Programme
• Skill Development
• Research
• Advocacy and Training.

Project Staff: Vijay Bhaviskar, Vasmi Shaikh, and Swapnali Dangi

Faculty In Charge: Dr. Asha Mukundan

Towards Advocacy Networking and Developmental Action (TANDA), estd. 2011
Navi Mumbai

Sponsor: Rotary Club of Hiranandani Estate and Individuals

Objectives:
• To reduce malnutrition among children under the age of 6 years towards reducing morbidity and thereby mortality among them by promoting community participation and their capacity building
• To reduce maternal morbidity and, thereby, mortality by means of focusing and intervening during the first 1000 days
• To improve menstrual awareness and hygiene sanitation among adolescent girls
• To improve access to essential medical services by training community leaders sensitising health care providers for mother and their children.
• To build the capacity of community leaders and local organisations to support economic development in improvised communities.
• To develop opportunities for productive work by encouraging traditional art and skills by establishing quilt (bedspread making from leftover cloths) business
• To reduce poverty in ex-criminal tribe communities with a special focus on women.

Programmes:
• Women and child health provision of ante-natal care to pregnant women
• Provision of post-natal care to lactating mothers
• Nutritional support to children under 5 years monitoring of malnutrition
• Awareness programmes for adolescent girls regarding menstrual hygiene and nutrition
• Women’s economic empowerment programme
• Establishing quilt making business for 200 women from 4 locations
• Women self-help groups have been registered at 4 project locations to encourage the saving habit among women as well as to initiate collective entrepreneurship
• Vocational training for youth.

Project Staff: Lalita Dhanavate, Ashwini Kamble, Ranjana Suryawanshi, and Sarika Vathare
Faculty In-Charge: Prof. Vijay Raghavan

Criminal Justice Fellowship, estd. 2019
India
Sponsor: Balaji Foundation
Objective: To offer a two-year Fellowship to 4 Social Work Alumni to initiate work within the theme of Criminal Justice Social Work.
Programme: Criminal Justice Social Work Fellowship is given for a two-year period to explore and work on any theme related to criminal justice across India. Currently, there are 3 Fellows working on issues of access to justice for the marginalised, victim compensation and re-integration of young adult offenders.
Project Staff: Rashmi Divekar
Faculty In-Charge: Dr. Roshni Nair-Shaikh

CENTRE FOR DISABILITY STUDIES AND ACTION

iCBR: Inclusive Community Based Rehabilitation, estd. 2013
Karjat and Mumbai
Objectives:
• To enhance the access to educational services and schemes to drop out and never enrolled children with disabilities and ensure inclusion and effective learning with other non-disabled peers
• To provide career guidance, vocational counselling and skill training to youth with disabilities to initiate income generation and sources of livelihood through self or open employment
• To provide detailed information and knowledge about their rights, various facilities and schemes available for them through various government programmes and making them aware about the process and requirements while accessing those services and schemes and need-based advocacy
• To ensure inclusion and integration of people with disabilities in village communities at various spheres of life by providing opportunities of proper medical care, inclusive education, vocational training and livelihood support within the community.
Programmes:
• Workshops on health care, Inclusive Education and Sustainable Livelihood for different stakeholders. In Mumbai’s M Ward, this has been done in collaboration with Pratham Vidya Vardhini, Social Welfare Department, SSA
• Identification of people with disabilities including children with disabilities, pension schemes, concession, disability certificate, disability awareness programme by conducting challenging challenges programme, workshop on livelihood for people with disabilities.
Faculty In-Charge: Prof. Sandhya Limaye
I Access Rights Mission, estd. 2013
Mumbai

Objectives:
- To take steps for accessibility issues at the university level regarding students with disabilities
- To understand the emerging issues and challenges of students with disabilities in higher education
- To create awareness and sensitisation programmes to promote an inclusive culture among all students on campus using various art forms like ‘media, painting and theatre and all forms of art
- Developing guidelines for teachers and peers regarding students with disabilities and working towards designing academic activities & curricula on universal design and accessibility for inclusion.

Programmes:
- I Access Classroom: Teaching & learning process towards inclusion
- I Access Mehfil: Awareness & facilitating inclusive culture with Peers
- I Access Audits - ICT, Innovative steps & Access audit and diversity.
- I Access Buddy: Peers volunteer programme as buddies for day-to-day functioning towards independence.

Faculty In-Charge: Dr. Vaishali Kolhe

CENTRE FOR EQUITY AND JUSTICE FOR CHILDREN AND FAMILIES

ROOTS: Rehabilitation Oriented Opportunities Towards Social Reintegration of Children in Child Care Institutions, 2018
Hyderabad, Nizamabad, Warangal

Sponsor: TATA Advanced Systems Limited (TASL), Hyderabad

Objectives:
- To strengthen psychosocial care facilities for vulnerable children
- To extend the intervention with children in conflict with law across Telangana state
- To create child protection solutions at the community level for the high-risk population of children
- To build the capacities of stakeholders of the institutional care system.

Programmes:
- Individual and Group Counselling with children
- Life Skills sessions
- Engagement of student interns and young professionals from various disciplines in direct work with children
- Creative inter-home competitions among children in celebration of Children’s Day during the Child Rights Week
- Submission of a proposal on the ‘Child-centred De-addiction Rehabilitation Programme of the Government CCIs
- Case expedition of institutionalised children in need of care and protection and children in conflict of law
- Capacity building of CCI and Department stakeholders on ‘Creating Inclusive CCIs’ workshop series focused on working with children with disabilities and queer identities
- Capacity building of CCI staff on ‘Understanding mental health and addressing distress among children’ to address self-harm tendencies among children facing mental distress
- Networking and referrals to professionals for children with special needs, in need of medical and psychiatric intervention
- Strengthening case management and documentation through submission of Individual Care Plan (ICPs), Rehabilitation Plan, Aftercare Plan etc.

Project Staff: Shreshtha Saluja, S. Indupriya, Shilpa Shankar, Lalitha Raj, and Nandini Shukl

Faculty In-Charge: Dr. Josephine Anthony

Rekkalu: Skilling and Vocational Education for Rehabilitation of Adolescents in Child Care Institutions, 2019
Hyderabad

Sponsor: Tata Advanced Systems Limited (TASL), Department of Juvenile Welfare, Correctional Services and Welfare of Street Children, Government of Telangana

Objectives:
- Enabling adolescents in institutions to learn and equip themselves with employable skills through vocational education and skill development programmes
• Ensuring psychosocial well-being through constructive engagement within and outside the institution through training and internship opportunities
• Strengthening the rehabilitation programme by aiming at reintegration into society through the development of skills like financial independence, healthy social interactions, confidence and self-esteem building, goal setting and decision making
• Developing Vocational Education and Skilling Facilities
• Building a network of agencies and institutions providing vocational education for adolescents to pursue training with certification
• Set-up workshops, production units and pre-vocational skilling facilities within the institutions to build a wide variety of opportunities for adolescents to engage constructively and learn new skills
• Strengthening Institutional Mechanisms and Building Financial and Social Support Systems
• Convergence of Juvenile Justice and child protection systems towards building comprehensive rehabilitative measures and robust aftercare programmes
• Building a network of stakeholders for sponsorships, financial support to create skilling facilities and placements and providing mentoring and other social support for the adolescents in institutions.

Programmes:
• Enrolment of adolescents in the institution or aftercare in suitable vocational training courses
• Providing in-house training programme in Salon services in collaboration with the local voluntary organisations
• Established pre-vocational facility ‘Skill Lab’ for children in the age group 12-15 years focused on STEM-based skill education for developing interests and attitudes towards learning and career building
• Development of a comprehensive VT assessment form for creating highly individualised VT plan for each adolescent as per the need and abilities
• Networking with local organisations, educational institutions and independent professionals to establish in-house training programmes in CCIs on Mobile repairing, Baking, Driving, electrical repairing etc.
• Exposure visit to Nursery
• Two batches of students from Girls Home have completed certificate programme on Salon Training conducted in tie up with SHINE NGO.

Project Staff: Shreshtha Saluja, Reethu Philomina, Raju Tallapelli, C.H. Madhuri, Sohrab Khan, Dinesh Rao, Grace Varshitha, and Vandhan Singh

Faculty In Charge: Dr. Josephine Anthony

CENTRE FOR HEALTH AND MENTAL HEALTH

Muskaan: The Child and Adolescent Guidance Centre of TISS, estd. 1938
Mumbai

Sponsor: TISS

Objectives:
• To provide clinical services to children and adolescents experiencing emotional, behavioural and other difficulties
• To create awareness about child and adolescent mental health
• To provide therapeutic services to children whose parents seek divorce
• To facilitate issues related to custody and access from a child-centred perspective.

Programmes:
• Clinical/therapeutic services to children and adolescents across different sites and settings
• Online counselling services to children and parents with the collaboration of Thane, Pune Family Court and Aaganwadi Sevikas
• Summer Camp for adolescents
• Mental Health awareness sessions with the adolescent group of Anganwadi at M-ward.

Project Staff: Gayathri K.R. and Rakhi Howal

Faculty In Charge: Prof. Shubhada Maitra
Pragati (Integrated Rural Health and Development Project), estd. 1986
Aghai

**Sponsor**: Natwest and Nippon

**Objectives**
- To strengthen and facilitate positive changes in the basic education facilities available for the tribal children through skills programme.
- To liaise the community with government initiatives for tribal development.
- Evolving Livelihood initiatives to enhance capabilities and also ensure availability, access and consumption of nutritional food for the people in the community.

**Programmes**
- The project works on three interconnected themes. Health, Education and Livelihood (with an aim to enhance the living standards):
  - **Livelihood**: Diversified livelihood avenues, including farm-based interventions, low-cost and efficient irrigation mechanisms that require very limited resources, local systems of water conservation mechanisms like Goni Bhandara, promotion of conservation agriculture, preparation and use of organic manures, and introduction of intercropping mechanisms. Shifting the livelihood initiatives to move beyond basic subsistence to add basic assets and enhance the living standards of households in the padas.
  - **Skills and Education in Tribal Schools**: Pragati has evolved a context-specific skills model for adolescents studying in the Ashram Schools. This model not only engages with children but also with teachers and wardens. This programme aims to improve children’s educational opportunities and overall well-being. In 2021-22, we started working in Zilla Parishad and 7 Ashram Schools.
  - **Health**: Alongside the social interventions for health, we also work towards minimising malnutrition amongst children and young women. This year the emphasis was on nutrition, and we conducted several training programmes for diverse stakeholders in padas. As part of Nutrition week, we conducted a recipe competition and prepared a document on locally available nutritious vegetables and recipes.

**Project Staff**
- **Senior Social Worker** - Pravin Yadav,
- **Pada Workers** - Ranjana Ravindra, Savita Kailash, Janvi Ananta, Suvarna Suresh, Savita Ramesh,
- **Trainers** - Dipak Jivi and Rajeswari K., and
- **Social Worker** - Divya Singh.

**Faculty In Charge**: Prof. Ashabanu Soletti

---

Tarasha, 2011
Mumbai

**Sponsor**: Prayas Trust, The Hans Foundation and Individual donors

**Objectives**
- To support women recovering from mental disorders in transitioning from institutions back into the community through networking, capacity building and sensitisation
- To facilitate the process of recovery in women aimed at addressing issues related to psychosocial well-being, shelter, sustainable livelihoods and economic independence
- To shift society from a mindset of exclusion and stigmatisation to inclusion and acceptance, thereby supporting creating safe, non-threatening spaces for women living with mental disorders
- To influence policy through advocacy and networking.

**Programmes**
- To facilitate recovery and reintegration of women in society
- To provide and create livelihood opportunities for women living with mental disorders in the hospital
- Reduction of stigma and discrimination at the workplace
- Care-givers support programme
- Good Practices towards upholding the rights of persons with mental disorders within state-run mental hospitals in Maharashtra
- A series of webinars to celebrate World Mental Health Day.

**Project Staff**
- Ashwini Survase, Sargam Jadhav, Priyanka Dalvi, Rani Gosavi, Arpita, Maya, Komal, and Adrika Sengupta

**Faculty In Charge**: Prof. Shubhada Maitra
CENTRE FOR LIVELIHOODS AND SOCIAL INNOVATION

Right Livelihood College (RLC) Mumbai, estd. 2018
Mumbai and South Asia

Sponsor: Right Livelihood Foundation, Stockholm

Objectives:
- To connect academia (through RLC Mumbai and a network of Universities across the globe) to local and global practice through work of Right Livelihood Laureates, who are recipients of the prestigious ‘Right Livelihood Award’/Alternative Nobel Prize for work on Livelihood Rights, Peace and Social Justice.

Programmes:
- Right Livelihood Lecture/Panel Discussions/Conferences/Other dissemination activities
- Strengthening local engagement through mentoring and Award to two Master’s students from Social Work (Livelihoods and Social Entrepreneurship) with a Right Livelihood Certificate a year for excellent contribution in field work on the issues of Right Livelihood Laureates and issues in livelihood promotion and social innovation
- Collaboration with other Right Livelihood Colleges.

Faculty In Charge: Prof. Swati Banerjee

CENTRE FOR WOMEN-CENTRED SOCIAL WORK

Special Cell for Women and Children, estd. 1984
Maharashtra, Assam, Bihar, Jammu & Kashmir, Ladakh

Sponsor: DWCD (Govt. of Maharashtra), Jhapigo-S Aid, National Commission of Women, Government of Bihar with support from State Police Department & Women Development Corporation

Objectives:
- Work with & within the police system for coordinated, effective multi-agency response to violence against women & children
- Provide quality psycho-socio-legal services to violated women & children, through trained social workers placed at Police Station
- Work with individuals to rebuild violated women’s self-esteem and dignity through developmental/empowerment counselling
- Engage police help in registering complaints; (e) Make appropriate & necessary referrals for further medical & legal aid, shelter etc.
- Liaise between police & women’s groups/community-based organisations working with women & children/ intervening on violence
- Create awareness & mobilise communities, all other stakeholders on VAW, women’s issues & rights
- Document work (processes & outcomes), to feed back into social work education vide curriculum development, anchoring students’ fieldwork, etc.

Programmes:
- Supporting a 32-member team (4 Regional Coordinators & 28 social workers) in the implementation of 14 Special Cells across 7 districts & coordination of 127 Cells in total across 34 districts – in all programme implementation, monitoring, review, planning, personnel selection, review/appraisal & training, reporting & advocacy work.
- 40 Special Cells for Women & Children in Maharashtra, provided psycho-social-legal services to 12,457 women & children survivors of different forms of violence.
- The work of Special Cell includes creating an environment of acceptance & visibility for the issue of VAW, in this process, undertaking awareness & advocacy activities with the community, colleges & schools, and local leaders. This year, 843 Programmes were conducted. Special Cell personnel & fieldwork students conducted street plays & railway campaigns during 16 days of activism. The Social workers were also part of various other campaigns on violence against women.

Project Staff: Regional Coordinators - Pratibha Gajbhiye, Sanghmitra Bhosle, Divya Taneja and Kavita Nikam.

Faculty In Charge: Dr. Trupti Jhaveri Panchal
Resource Centre for Interventions on Violence Against Women, estd. 2007
Maharashtra, Odisha, Delhi, Gujarat, Haryana, Uttar Pradesh, Telangana, Andhra Pradesh, Rajasthan, Madhya Pradesh, Bihar, Punjab, Assam, Meghalaya, Tamil Nadu

Sponsors : Direct interventions funded by Central and State Governments, including DWCD (Govt. of Maharashtra), National Commission for Women (Govt. of India), and core team, training & expansion work supported by HNI-funding (Dasra Giving Circle) vide Dasra (Impact Foundation India)

Objectives :
• Coordinate, handhold, & strengthen existing work of Special Cells for Women programme in Maharashtra, and other States, through continued formal engagement of collaborative work & advocacy with State Governments, especially Police & Protection system.
• Promote strategies of Special Cells approach through (i) adaptation/replication & expansion in new geographies, and (ii) piloting & facilitating institutionalisation of this & other models of VAW intervention, towards effective multi-agency coordinated response, with focus on engaging Police support
• Explore & innovate newer strategies to respond to VAW, and build capacities (skills & perspective) of stakeholders at various levels (State systems, CSOs, academic institutions, communities etc.)
• Initiate & sustain research, documentation & larger educational activities (awareness, training, etc.) on VAW issues & interventions.

Programmes :
• Bihar: An MoU was signed on 29.09.2021 between the Women and Child Development Corporation & the Institute for the period of 01.05.2021 to 31.03.2023. Induction training of newly recruited Social Workers was planned and completed from 17th January till 5th February 2022 in Guwahati, Assam with the Social Workers of Special Cells for Women, Assam State. Araria Cell was set up in January 2022 and became operational in February 2022 after the return of Social Workers from 20 days of induction training. During the period of 01.04.2021 to 31.03.2022, these Cells have carried out interventions with 755 survivors of VAW
• Assam: Induction training of newly recruited Social Workers was planned and completed from 17th January till 5th February 2022 in Guwahati. Eleven Special Cells have been functional since February 2022. In Assam, the approach is being innovated by layering it with community outreach in collaboration with CINI for wider reach and primary prevention of violence in the 11 districts. During the first quarter of establishment i.e. January- March 2022, these Cells have carried out interventions with 238 individuals of VAW
• Jammu & Kashmir and Ladakh: Seven Special Cell are located in Kashmir Division - Srinagar, Budgam, Kulgam, Anantnag, Ganderbal, Baramulla and Kupwara, 3 in Jammu Division – Jammu, Udhampur and Rajouri & 2 in UT of Ladakh- Leh & Kargil. An intensive, residential induction training of the team of social workers was carried out by RCI-VAW in Srinagar from 9th-28th of October 2021 following which, the social workers have been operating from their respective districts. All 12 pilot Special Cells for Women have been functional since November 2021 and have carried out interventions with 613 survivors of VAW. In the month of March 2022, UT of Ladakh Police had invited RCI-VAW, TISS to conduct a 05 days training programme for Police personnel. The training was conducted from 13.03.2022 to 18.03.2022 at District Police Line, Leh and 31 Police officers had participated in that training programme
• Advocacy work with other interventionists: Advocacy for draft Scheme proposed by the Institute's RCI-VAW, for Central assistance to State Governments to establish Police-based Special Cells for Women (trained social work professionals providing psycho-social-legal support services to survivors of gender-based violence. Participated in network and governmental meetings on VAW issues, made presentations of own work and researches, contributed to national-level advocacy on feminist social work interventions on VAW, PWDVA and PCMA implementation; Also supported the JSLPS (Govt. of Jharkhand) for establishment of pilot Cells in said States
• Training/critical education of other stakeholders: Induction training of Social Workers, Special Cells for Women in various states, trainings for various organisations incl. training of law enforcement officers in collaboration of Delhi Police under UN Women project on 25th September 2021 & 11th November 2021. Online training of functionaries i.e Protection Officer, OSC, Shelter Home & 181 Helpline personnel on ‘Strengthening States Systems Response to Sexual and Gender Based Violence through Multi-Agency Coordinated Response in collaboration with Dept of Women and Child Development, Delhi and UN Women- 9th & 11th February 2022. Training of OSC & Urja Desk Police Personnel of Gwalior division (M.P.) on 28.02.2022 in collaboration with Dept of Women and Child Development, Police, Govt. of Madhya Pradesh and UN Women. Feminist training/4, as well as concurrent fieldwork & block placements (supervision included) for Institute's M.A. students (both years) – on invitation of Schools/Centres/Faculty of the Institute.

SCHOOL OF VOCATIONAL EDUCATION

The TISS School of Vocational Education (SVE) was set up in December 2011 to align higher education with the emerging needs of the economy. In the Academic Year 2021-2022, TISS-SVE enrolled 1759 students in 14 sectors and 33 Programmes across India. Out the 1759 students, SVE enrolled 1,561 students for undergraduate programmes and 198 students for post-graduate programmes. During this Academic Year, TISS-SVE imparted training to 6500+ students in 16 Sectors at 95 locations across India.

Major Events Organised

COVID-19 Warriors: India was badly hit by the COVID-19 pandemic from March 2020. The health system faced many challenges while dealing with the pandemic. A key challenge was the need for more trained human resources. In such a situation, the contribution of TISS SVE students studying in Healthcare programmes was commendable. Around 2000 students of TISS SVE contributed as front-line workers during the pandemic and contributed to the lives of COVID-positive patients.

TISS SVE organised an online programme to felicitate these students on 30 July 2021. Padma Shri Dr. Tatyarao Lahane (Ex-Director, Medical Education and Research, Maharashtra; Ex-Dean, Grant Medical College and Sir J.J. Group of Hospitals, Mumbai), was the Chief Guest of the programme. He appreciated the Institute’s approach to creating human resources in the Health Sector and empowering youth through paramedical programmes. Appreciation certificates were sent to all the students.

In this programme, 50 Counsellors working in Mumbai under the Saksham project of TISS too, were felicitated. These Counsellors provided counselling and psychosocial support to People living with Drug Resistant(DR)TB during the pandemic. Mr. Ajit More, Counsellor, Mumbai shared his experiences while working during the pandemic. Appreciation certificates were sent to all the Counsellors.

Campus Immersion: For the first time ever, the TISS-SVE invited all students enrolled in the academic year 2021-2022 to its Mumbai and Hyderabad Off Campuses for 7 days. During this time, students underwent 30 hours of the Generic Theory Classes. They also got the chance to interact with TISS-SVE faculty and staff. On the last day of the campus immersion, cultural event Utsaah was organised in which students actively participated.

Life Skilling Webinar Sessions: TISS-SVE organised a series of webinars with the aim of staying connected with students enrolled in our vocational education programmes. The webinars covered topics such as team building and team dynamics; employment readiness (CVs & personal interviews); managing personal finances; current trends and career opportunities in the Tourism & Hospitality industry; trends in vocational education in line with the NEP 2020; etc.

Content Review of all B.Voc. Programmes: A two-day Content Review Workshop was held wherein various Domain Experts of 18 verticals joined to review and revamp the content of all the B.Voc. programmes. The domain as well as generic content was revised to check the Outcome Based Education (OBE) and also incorporate the contemporary industry-relevant concepts to match the qualification outlined by the National Occupational Standards (NOS) and as predefined by the respective sector skill councils.
Innovations in Skill Education initiated by the School of Vocational Education

Vocational Aptitude System (VAS): VAS is a standardised psychometric test developed by TISS-SVE. The development of the test started as part of the MOU signed between the All India Council for Technical Education (AICTE) and TISS in March 2012. The test is developed with technical support from the Defense Institute of Psychological Research (DIPR) and Defense Research and Development Organization (DRDO).

It has been developed to guide students in choosing their career options among the options available in vocational education. The programmes offered by TISS SVE are different from traditional ones, so students need guidance to select the right sector. VAS will help students to understand the best-suited vertical/sector for them. The test is free of cost for the students and is available on the TISS-SVE website.

Collaboration with Infosys: As part of Digital Literacy, the School of Vocational Education is collaborating with Infosys Limited, a global leader in consulting, technology, and outsourcing solutions, for the services offered under their Springboard Platform. Infosys Springboard, as a part of Infosys CSR, is an initiative to expand digital re-skilling. This initiative provides a curriculum-rich virtual platform that delivers corporate-grade learning experiences, on any device, with closer educator-learner collaboration for students. This, alongside formal education, fully aligns with India’s National Education Policy 2020.

The courses listed under the Springboard Platform can be availed by students of TISS-SVE from the different skill-sector programmes. The assessment formats follow are new-age ready with certification for learners who pass the virtual proctored examination. This learning program is particularly well-suited to grow vocational skills, in addition to soft skills, and prepare the students for emerging jobs and career opportunities.

Collaboration with Lenskart: Lenskart joined hands with TISS-SVE as a Skill Knowledge provider in the academic year 2021-22. The School has 74 diploma holders across India pursuing a Bachelor in Optometrics programme, and they are enrolled to the Advance Diploma level 6 of B. Optom programme as a Lateral Entry. Lenskart has collaborated with TISS SVE to upskill its existing employees.

Collaboration with HCL Foundations: As part of its Skill Development & Livelihood initiative, HCL Foundation has proposed the project ‘Uday’ with TISS-SVE under its IT-ITES (Information Technology Enabled Services) skill sector. This project aims to improve and enhance the IT skills of underprivileged youth through appropriate vocational training programs by establishing a skill ecosystem. Students who completed 10+2 or equivalent will enrol in this one-year Computer Applications Diploma programme. HCL Foundation will be sponsoring the fees for the students enrolled for this programme.

Collaboration with Tata Power: Tata Power is one of India’s largest integrated power companies, present across the entire power value chain of conventional & renewable energy, power services, and next-generation customer solutions, including solar rooftops, EV charging stations, and home automation. TISS-SVE and Tata Power joined hands in 2021 to provide internship opportunities to students pursuing B.Voc. Renewable Energy Technology. 22 students were placed in 5 locations for on-the-job training, namely in Dholera and Raghanesda (Gujarat), Chhayan and Jetsar (Rajasthan), and Kasargod (Kerala).

Collaboration with Maruti Suzuki India Ltd.: TISS-SVE has collaborated with Maruti Suzuki to offer an Industry Integrated Undergraduate programme - the Bachelor of Vocation (B.Voc) in Retail Management with a Specialisation in Automotive Retail. The Agreement Signing Ceremony took place on 28 September, 2021. TISS has always been a front-runner in innovations in education and field-based learning methods, and collaborating with Maruti Suzuki, a trusted brand with a long history in Automobile Industry, is a very important step in the commitment of the Institute. A stipend will be paid to the students through the ‘Earn-while-Learn’ model of the vocational education programme.

Fees Sponsorship through CSR funding: Apraava Energy (CLP) and HCL Foundations joined hands with TISS-SVE to offer scholarships to more than 2000 students. This scholarship was extended to students from Healthcare, Education, Renewable Energy, and Dialysis Technology sectors.
Placements

The TISS-SVE is constantly working on giving the platform to the students to acquire industry-relevant skills through On-the-Job Training and Skill-Sector Domain Theory training which makes them Job Ready. In 2021 (between June and July), TISS-SVE placed 960 students in various sectors. 175 students applied for Higher Studies after completing their B.Voc. Programmes, and 52 started their entrepreneurial ventures.

Established on 6 March 2016 as an independent Centre of the Mumbai campus, the Centre for Development Practice and Research (CDPR), Patna, made significant progress during 2021-22. Despite a raging pandemic throughout the large part of 2021-22, the Centre remained active, shifting to online activities wherever offline work was not possible. Nevertheless, field-based studies were conducted in several districts such as Araria, Madhubani, Darbhanga, Bhagalpur, East Champaran, Supaul and Gaya in Bihar, Kushi Nagar and Gorakhpur in Uttar Pradesh, and Mumbai in Maharashtra.

The CDPR faculty participated in various (online) national and international conferences, seminars and symposiums – presented their papers, participated as discussants, or chaired sessions. The faculty delivered invited lectures, organised online events in collaboration with different networks, participated in public discourses as panellists and as guest faculty in faculty induction as well as UGC refresher courses, contributed to academic bodies as their members. During this period, one of the faculty, Shashank Chaturvedi, was conferred affiliation to the School of Anthropology and Museum Ethnography, the University of Oxford, as a Research Affiliate from 11 November 2021 until 30 November 2023.

During the year, six short-term courses were conducted. Overall, 11 lectures were organised. Of these, one short-term course and one lecture were organised offline. The year has also been very productive as far as faculty publications are concerned. Admittedly, some activities had to be abandoned, curtailed or restricted due to the devastating impact of the second wave of the Pandemic. Some faculty and staff suffered from COVID-19 infection as well as ‘Long COVID’.

Collaborations

1. For the study entitled “Safe Migration from Bihar: Patterns, Policies and Challenges”, apart from using the regular research grant by the Takshila Educational Society, an amount of Rs. 750,000 was received from the International Justice Mission. The final output of the study will be published by August 2022 in the form of a report with policy and implementation-oriented recommendations.

2. The Centre collaborated with the Kedar Das Institute of Labour and Social Studies, Patna, to organise a training course for trade union organisers working in the informal sector in Bihar.

Faculty’s Individual Research

The Centre’s faculty carried out their research as per the annual research plan.

i. “Production Relations, Technological Change and Migration among Weavers in Bhagalpur, Bihar” (Dr. Charvaak Pati).

ii. Nepali Migrants in Gorakhpur (Dr. Shashank Chaturved)

iii. Impact of COVID-19 on Electioneering in Eastern UP (Dr. Shashank Chaturved)

iv. Impact of COVID-19 on Indian Labour Migrants to GCC countries (Dr. Rakesh Ranjan).

v. Analysing Census 2011 with Respect to Migration (Dr. Pinak Sarkar)

vi. Research monograph on “Economic Returns to Migration in India” (Dr. Pinak Sarkar)

vii. Revisiting Jitwarpur: Understanding the Changes in Agrarian Relations during the last 10 years (Prof. Pushpendra)

viii. Safe Migration from Bihar: Patterns, Policies and Challenges (Prof. Pushpendra)

Short-term Courses

The Centre has been organising an advanced orientation course on Migration since 2017. During 2021-22, the Centre organised five online courses for researchers and one for trade union activists.

- Academic Writing Workshop. 2, 5, 8 and 17 August 2021. [Faculty Coordinator: Pushpendra. Resource Person: Prof. Savyasaachi]
• Labour and Migration during the Time of Globalisation. 14-17 December 2021 [Faculty Coordinator: Pinak Sarkar]

• The Political Economy of Trade Union Movement in India. 6-9 January 2022 [Faculty Coordinator: Charvaak Pati]

• Doing Research on Religion in Social Sciences. 19-22 January 2022 [Faculty Coordinator: Shashank Chaturvedi]

• International Migration from India and Indian Diaspora. 07-10 February 2022 [Faculty Coordinator: Rakesh Ranjan]

• A Course for Trade Union Workers and Leaders. 26-28 February 2022 [Faculty Coordinator: Pushpendra]

**Public and Memorial Lectures**

**i. Lecture Series on Justice:** The Centre has been organising a Lecture Series on Justice since 2017. So far, the Centre has organised nine lectures in the Series, of which three lectures were organised in 2021-22.

1. Lecture 7 by Prof. Md. Sajjad (Centre of Advanced Study in History, Aligarh Muslim University, on 12 August 2021): “Polarising the Socio-Political Space and amidst the Pandemic.”

2. Lecture 8 by Dr. Hilal Ahmed (Associate Professor, Centre for the Study of Developing Societies, on 14 February 2022): “The Ideas of Justice and Politics of Victimhood in India.”

3. Lecture 9 by Dr. Sumeet Mhaskar (Associate Professor and Associate Dean-Academic Affairs) at Jindal School of Government and Public Policy, OP Jindal Global University, on 19 April 2022: “The Caste Question and the Working Class Movement in India.”

**ii. Lecture Series on Migration:** The Centre launched a Lecture Series on Migration in 2017. Of the total 20 lectures on migration organised so far, three lectures were organised in 2021-22:

(a) Lecture 18 by Prof. Binod Khadria (Former Professor and Chairperson at the Zakir Husain Centre for Educational Studies, School of Social Sciences, Jawaharlal Nehru University) on 15 July 2021: “Will the Post-COVID-19 Global Migration of High-skill Labour Immiserize the Global South?”

(b) Lecture 19 by Dr. Mythri Prasad-Aleyamma (Post-doctoral Fellow, Center for Place, Culture and Politics, Graduate Center at the City University of New York) on 2 December 2021: “Ethnic Wage-welfare Complex: Migration as a Lens to Understand Capitalist Landscapes in India.”

(c) Lecture 20 by Prof. Raul Delgado Wise (Director and Founder of the Doctoral Programme in Development Studies at the Autonomous University of Zacatecas), on 11 January 2022: “A Southern (Latin American) Perspective on the Theory and Practice of Migration and Development.”

**iii. Hetukar Jha Memorial Lecture:** The Fourth Hetukar Jha Memorial Lecture was delivered (online) by Dr. Parul Bhandari, a sociologist and former Associate Professor of Sociology at O.P. Jindal Global University, Sonepat, on “Mythical Love and Conjugality in Everyday Life: Gender and Politics in India” on 5 March 2022.

**iv. Special Lecture and Book Release Function on 8 April 2022 [Offline mode, Patna]**

This was the Centre's first major programme in physical mode after a gap of more than two years. On this occasion, Prof. Asha Hans, Director of Development Research Institute, Bhubaneswar and former Professor of Political Science and Founder-Director of the School of Women's Studies, Utkal University, delivered a special lecture entitled “The Gendered Impact of Migration in the Pandemic.” On this occasion, five books, authored/edited by the Centre's faculty, were also released.

**v. Special Lecture (Online): Reading Gail Omvedt (1941-2021) on 4 October 2021**

The Centre organised a public lecture in the memory of Gail Omvedt, a prolific writer whose academic and activist career spanned a vast spectrum from the early 1970s to the second decade of the 2000s. Renowned sociologist, Prof. Kalpana Kannabiran (Former Director, Council for Social Development, Hyderabad), delivered the online lecture.

**vi. Discussion (online) on a Paper “Harparauri: An Extinct Ceremony for Women in the Bhojpuri World” on 26 October 2021**
The Centre organised a discussion on a new paper (in Hindi) by Dr. Dhananjay Singh (Assistant Professor, Dr. S.R.K. Government Arts College, Yanam, Puducherry). His paper explores the socio-cultural history of Harparauri, a now extinct ceremony once observed by women of the subaltern farming communities in the Bhojpuri region of India during colonial times to bring on rains in times of famines.

The CDPR organized a discussion on a book titled *Liberalised India, Politicised Middle Class and Software Professionals*, authored by Dr. Anshu Srivastava (Associate Professor, Department of Educational Administration, NIEPA). This volume explores the evolution of the middle class in India and goes on to trace the emerging new middle class. The presentation was followed by comments by two discussants: Prof. Manish K. Jha (School of Social Work, TISS Mumbai), and Dr. Charvaak Pati (Assistant Professor, CDPR).

Research Output of the Ethnography Researchers’ Team based in Miyan-ke-Bhatkan, Siwan

The Centre had stationed a team of researchers to conduct an ethnographic study of a Gram Panchayat *Miyan-ke-Bhatkan* in the Siwan district of Bihar. The team started work in late 2017 and worked until October 2021. The team, based on its observations in the field and participation in the social life of the panchayat, has written detailed narratives. Overall, the narratives have been collected in four volumes, with the possibility of adding a fifth volume. This series of publications is named “Miyan-ke-Bhatkan ki Kahaniyan”. Two volumes have been submitted for publication to Aakar Books, while editorial work on the other two volumes continues.

Journal of Migration Affairs

The journal has completed four years of publications with a total number of eight issues. The September 2021 issue was devoted to “Migrants and Partition” as its thematic focus on the 75th year of India's painful Partition and its legacy. The March 2022 issue explores the literary genre of writings on migration. The theme is titled “Migration in Literature”.

**Field Action Projects**

**Connected Learning Initiative (CLIx) – Phase 2, estd. 2015**
Chhattisgarh, Mizoram, and Telangana

**Sponsor** : Tata Trusts

**Objectives** : • Promoting integration of Ed Tech in schools and teacher professional development through active and authentic learning, valuable and powerful content knowledge, learner access to, and interaction with, peer groups and experts, and building a community of practice: Teachers and educators provide mutual support and encouragement while sharing perspectives and insights with common problems and issues.

**Programmes** : • Reflective teaching with ICT
 • Teacher professional development
 • Design Thinking Workshops.

**Staff** : Saurav Mohanty and Garima Singh

**Faculty In-Charge** : Prof. Padma Sarangapani, Dr. Anusha Ramanathan, and Dr. Ruchi Kumar

**School Synergy Initiative**, estd. 2019
Mumbai

**Sponsor** : Tata Trusts

**Objective** : • Build synergy of the CETE’s work and programmes with the nearby schools to develop a mutually beneficial relationship and provide avenues for continuous professional development, while the schools provide avenues for school and class observations as well as internships to the Centre’s students.

**Programme** : • School Synergy Workshop series.

**Project Staff** : Sunil Kumar and Deepa Bhalerao

**Faculty In Charge** : Dr. Ruchi Kumar

**Integrated Approach to Technology in Education**, estd. 2021
Assam and West Bengal

**Sponsor** : Rukmani Trust

**Objective** : • Capacity-building of teachers in Assam and West Bengal schools and madrasas
 • Conduct leapquest for students in COVID period.
**Teacher Capacity Building on “Leadership in Constructivist use of Technology in Teaching and Learning”, estd. 2021**
Utter Pradesh, Jharkhand, Jammu and Kashmir, Andhra Pradesh, Karnataka, Bihar, Assam and West Bengal

**Sponsor**: UNICEF India

**Objectives**
- Create a robust cadre of Master Trainers as leaders and confident role models of using distance and constructivist technology
- Critically decide what is meaningful use of technology, design, adapt blend technology resources to meet the needs of their students
- Prepare and mentor teachers
- Adapt strategies and resources for at scale diffusion of continuous professional development of teachers (CTPD)
- Encourage states to adopt constructivist use of technologies, robust CTPD and link it to teacher career trajectory.

**Programmes**
- Implement constructivist technology course to 4000 government schools teachers in multiple languages in online mode
- Research on impact of the programme.

**Project Staff**
- Sohini Sen, Durba Sarkar, Babita Mazumdar, and Shalini Soni.

**Faculty In Charge**
- Dr. Amina Charania
