It gives me immense pleasure to invite you to the placement process of the Human Resource Management & Labour Relations (HRM & LR) programme of the Tata Institute of Social Sciences. TISS is a leading institute of the country imparting quality education in the realm of social sciences and the development sector. The HRM & LR programme of the institute places equal importance on both theoretical and hands-on learning. Conceptual clarity is enhanced through eliciting students’ participation in classroom discussions, assignments, case study analysis and presentations, while practical inputs are provided through the rigorous field work system, subject related practical projects and the summer internships. The uniquely designed Foundation Courses help sensitize students to the social, political, economic and ecological environments of the Indian society. All these, coupled with the focused attention that the students get owing to the small batch size, make learning highly effective for each student.

The concurrent and block fieldwork programme is an integral part of the curriculum and provides an opportunity for students to reflect, apply and integrate acquired skills to work situations in fieldwork organizations. This pedagogical approach serves to bring about the much-required interface between theory and practice.

The students of the current batch of HRM & LR come from diverse educational backgrounds and fields. The batch is an eclectic mix of both experienced professionals and fresh graduates from streams such as engineering, arts, commerce, science and law.

I am confident that our students will add immense value to the industry. They will prove to be conscientious and focused professionals in the domains of human resource management and labour relations.

I welcome you to the campus to interact with our students and contribute to their career by placing them in your esteemed organization.

Shalini Bharat
Director
Greetings from the School of Management and Labour Studies, Tata Institute of Social Sciences (TISS), Mumbai

I feel happy to invite your organisation to associate with us in the final and summer placement of Master of Arts in HRM & LR Students of 2020-22 and 2021-23 Batches, respectively.

Placement (final and summer) of Master of Arts Graduates of HRM & LR Programme is one of the unique features of TISS which is fully driven by the student with significant support from the Alumni. Over the years, we have witnessed tremendous improvement in profiles of the recruiters and the jobs offered by them which is comparable with the best of the institutions in the Country. This is also one of reasons for the Programme winning several awards and recognition and attracting highly talented students. While the Faculty Members of the School guide the students in seeking high quality placement, the recruiters have also shown immense faith and confidence on us to strengthen the Programme.

The Programme is uniquely placed with continuous internship and exposure to practices, mentoring by the business professional, dynamic curriculum design, cross-discipline collaboration and social sensitivity. The pedagogy, thus adopted, provides the enabling support in learning. Respect to the society and environment with due consideration to gender equality, diversity, inclusivity, justice and sustainability are the foundation of the learning processes. The students also develop research capability in search for new knowledge and practices. This reinforces our claim of global learning standards in human resources management and labour relations.

Your association with our placement process is critical to develop new avenues of learning, knowledge creation and practice proficiency. We look forward to many new areas of collaboration for mutually beneficial outcomes.

Satyajit Majumdar
Dean, School of Management and Labour Studies
and Professor, Centre for Social Entrepreneurship,
Tata Institute of Social Sciences, Mumbai
Warm greetings!

It gives me immense pleasure to invite you to the Placement Process of M.A in Human Resource Management and Labour Relations programme (M.A- HRM&LR), TISS for the academic year 2021-22.

This coveted, flagship program grooms students to emerge as professionally competent and socially sensitive management graduates, fully equipped to take on the challenges of the corporate world. The program explores critical areas of contemporary human resources management, in conjunction with a comprehensive knowledge and understanding of key management and business functions.

Gaining from over six decades of teaching and research, the program experiences a blend of theory and practice and prepares students to apply cutting edge knowledge in the areas of HRM and LR.

The most distinguished features of the curriculum framework are fieldwork spreading over four semesters, rural immersion, foundation and choice-based courses which equips students to face ground realities in the socio-political, economic and ecological environment.

The TISS HRM & LR post-graduates are amongst the most sought after in the global industry today. They occupy positions of leadership across a wide spectrum of industries and sectors including, IT/ ITeS, banking and finance, telecom, manufacturing, public sector, pharmaceutical, retail management consultancy etc.

I am confident that the students seeking summer internships and final placements will add immense value in their domain to the industry and demonstrate the Philosophy of true TISSians. I wish them all the best in their endeavours.
TISS is committed to substantially enhancing the availability and access to higher education, as well as the inclusiveness and social relevance of the same. Through increasing access to high quality in inter and trans-disciplinary programmes in social, health, habitat, management and physical sciences, these programmes will focus on the development and welfare of the people. Over the years, the Institute has made consistent contributions to civil society, the industry and the development sector through its education, research, field action and extension. Today, TISS has earned recognition as an institution of repute from different ministries of the Government of India, various State Governments, and international agencies such as the United Nations, the nongovernment sector, both national and international and from organizations in the private sector.

VISION

The vision of Tata Institute of Social Sciences (TISS) is to be an institution of excellence in higher education that continually responds to changing social realities through the development and application of knowledge. It aims to create a people centred, ecologically sustainable and just society that promotes and protects dignity, equality, social justice and human rights for all.

MISSION

The Tata Institute of Social Sciences organizes teaching programs to facilitate the development of competent and committed professionals for practice, research and teaching; undertakes research; develops and disseminates knowledge and reaches out to the larger community through extension, at the local, national, regional and international levels.
Recognized as “Great Place to Study” for Forbes Marquee Edition

- NAAC Rating of 3.89/4. Second highest ratings among the Universities in India
- Ranked 57th overall in India and 34th among universities in India by NIRF in 2020
- Categorized as ‘Brand A’ institution by ATAL Ranking of Institutions on Innovations Achievements in 2020
- Celebrated 75 years of excellence, the Platinum Jubilee in 2011-12
- Singh Obama Innovation Award
- Awarded the highest ranking - Diamond Ranking (Overall) - in the QS-I Gauge rating Process

- Our students won the Mumbai Regional Round of the Tata Crucible Business Quiz
- Awarded National Education Leadership Awards - B Schools with industry related curriculum in HR by Lokmat
School of Management and Labour Studies
The programme places importance on both theoretical and hands-on learning. Conceptual clarity is enhanced through participation in classroom discussions, assignments, case study analysis, presentations etc. while practical inputs are provided through the rigorous field work system, subject related practical projects and the summer internships. The Foundation courses in Sociology, Development Studies and Economics help sensitize students towards the social, political, economic and ecological environments of the society. All these, coupled with the focused attention that students get owing to the small size of the batch, makes personal learning highly effective.

</table>
The Field work programme is an integral part of the HRM & LR curriculum and provides opportunities for students to reflect, apply and integrate acquired skills to work situations in field work organizations. It thereby serves as an interface between theory and practice. The HRM & LR students are placed in four different organizations, representing different industry sectors, during the two-year duration of their programme. The fieldwork programme comprises the following:

**01 CONCURRENT PLACEMENT**
In the first two semesters, students attend fieldwork in two different organizations, twice a week.

**03 NGO BLOCK PLACEMENT**
At the end of the fourth semester, the students work in an NGO for one month.

**02 CORPORATE BLOCK PLACEMENT**
In the third and fourth semesters, students undertake a month long block fieldwork placement in two different organizations.

**04 RURAL IMMERSION**
Prior to the commencement of second semester, students are taken for a week long rural visit. The objective is to sensitize budding managers towards the challenges faced by rural India.

The programme is overseen by the Dean of the School of Management and Labour Relations and by the School Board. Currently, the school deals with more than 100 organizations with respect to field work of students. The curriculum and practice is regularly revised and timely inputs are solicited from industry experts.

The students are expected to record their learnings and compare actual business practices with theory. Focus group discussions as well as individualized feedback sessions are conducted on a weekly basis with a faculty mentor. In effect, at the end of two years, the fieldwork programme augmented with the summer internship, results in a diverse work profile and balanced learning.

**Varied Industry Exposure**

**Challenging Projects**

**Opportunity to apply concepts at the workplace**

**Live Experience**

The faculty and research scholars in the school actively contribute to both theory and practice through cutting edge research in the areas of informal sector, human resources management, social entrepreneurship, labour market and leadership. The school has initiated a number of learning opportunities for students, research scholars and faculty members through weekly research seminars, human resources forum, entrepreneurship cell, national and international conferences, periodic workshops and special lectures by experts.

**ADECCO - TISS LABOUR MARKET RESEARCH INITIATIVE**

One of the key research initiatives is the Adecco-TISS Labour Market Research Initiative (ATLMRI). This is a research and policy advocacy programme, established in 2006, that aims to analyse and understand growth trajectories in the Indian economy and the character of the labour force. This initiative provides pivotal linkages between the government, industry, education training providers and prospective employees.

HRM & LR FORUM
TISS HRM & LR Forum was launched in the academic year of 2015, as a knowledge hub and to facilitate exchange of ideas amongst TISS students. The scope of the Forum also includes corporate interactions, discussion forums, exclusive session with eminent personalities, Manthan and various Co-Curricular activities. HRM&LR Forum will also be responsible for enhancing and celebrating student skills in a variety of fields like arts, academics, music etc. HRM & LR forum is taking new shape by venturing into domains, which made TISS PMIR famous. The forum also promotes competitive spirit and knowledge sharing by organizing debates, quizzes and the Annual management and cultural fest, ‘Manthan’. The first edition of TISS HR Start-Up Summit was conducted with an aim to cultivate an ecosystem for entrepreneurship in the college. Other activities included a cultural evening ‘Jashn’ for celebrating talent in HRM & LR and a social initiative ‘Umang’ conducted as part of Manthan 2019. Our scope also includes running social media campaigns like ‘Humans of HRs’ and ‘Field Work Diaries’ which features the rich experiences of Industry stalwarts and HR students respectively.

IR Conclave 2021
The IR Conclave is an annual convention organized by TISS Mumbai and attended by members from the HR & IR fraternity encompassing Industry leaders, academicians & students from prestigious institutes. The conclave had its successful inception in the year 2019 with a ground-breaking theme, renowned speakers and eminent industrial experts. IR Conclave 2021 holds a very important attribute as it was conducted in the virtual mode for the first time and became one of the biggest online events, that garnered participation from industry, student fraternity and academia, recording over 2000 registrations. Our guest speakers included international economists like Guy Standing, industry stalwarts like Vivek Patwardhan, Sharad Gangal, academicians like Shyam Sundar and representatives from Union and legal fraternity. Paper presentation was conducted as a part of the event and had 94 registrations from various B-Schools like IIM-K, XLRI, etc.

Manthan 2020
Manthan is the Annual Management and Cultural extravaganza of Human Resources Management and Labour Relations at TISS Mumbai. Manthan, as the name suggests, represents churning. Since its inception in 1997, Manthan has lived up to its name – challenging B-School students all over India to churn their minds, challenge their beliefs and revisit their assumptions to face the ambiguities of the business world, and especially the HR domain. It includes case study competitions, management conclave, flea market and pro nights. Over the years, Manthan has evolved in both scale and form.

The 24th Edition of Manthan was held from 7th -9th February, 2020. The theme for Manthan 2020 was Pitstop to the Future. The 24th edition of Manthan was truly remarkable and witnessed unprecedented success in all the events with eminent personalities gracing the campus on all the three days.

Centre for Human Resource Management and Labour Relations
Tata Institute of Social Sciences
COMMITTEES

ALUMNI COMMITTEE
The TISS HRM & LR Alumni Committee works towards nurturing the rich legacy and relationship between the various batches of alumni who have passed from the TISS HRM & LR / PMIR course across the decades. Their bond with the present batches and TISS faculty is promoted through the year-round activities like Samvaad - Alumni Guest Lecture / Video Series, Mentoring Programmes, Alumni City Meets across prominent cities of India and Dharohar - the Annual Alumni Homecoming event held at the TISS, Mumbai campus. Constant updates of Alumni achievements and recognitions are shared on the various official TISS, HRM & LR Alumni Committee social media handles. The committee also maintains informal Communication Groups to facilitate swift exchanges between the alumni. The Committee maintains the Alumni Portal and Alumni Database to keep track of the progress of various alumni across the world and also helps facilitate interaction between the alumni. The TISS HRM & LR Alumni Committee thus continuously strives to maintain and build the indelible relations between the Alumni Fraternity of HRM & LR / PMIR course through the constant nurturing of this bond shared with the current students and faculty of TISS.

Summer Internship Mentoring Programme
A cohort of 76 alumni signed up as mentors for the ‘Summer Internship Mentoring Programme’ to impart knowledge and extend the best possible support to aid their mentees, the batch of 2022, achieve the intended goals for their internship. The initiative led to an overwhelming nurturing experience with immense learning.

ASPIRANTS RELATIONS COMMITTEE
Aspirants Relations Committee (ARC) is the official public relations and branding committee of HRM & LR, TISS Mumbai. Instituted in 2012, it manages the entire gamut of admissions related activities from aspirant mentoring to onboarding and induction of the incoming batch. ARC is responsible for curating and positioning the brand image of TISS Mumbai HRM & LR on all official social media platforms (Facebook, Twitter, Instagram, LinkedIn, YouTube and PagalGuy) by creating original content and covering all the activities undertaken by the students and committees of HRM & LR in order to create more awareness and showcase what our course has to offer. The committee maintains relations with aspirants by providing mentoring and handling queries for the end-to-end admissions process for our course (TISSNET, TISSMAT, PIT and PI) through initiatives like Quiztopia (a 100-day daily GK quiz), webinars and regular articles on social media, ranging from preparation strategies to life at TISS. ARC also conducts Aspirants City Meets - an offline engagement campaign to facilitate in-person interaction with aspirants throughout the country. Additionally, in coordination with the Secretariat and the Faculty of the School of Management and the HRM & LR batches, ARC drives the 10-day PIT-PT process to ensure a pleasant candidate experience.

EDITORIAL COMMITTEE
The Editorial Committee of TISS HRM &LR has two broad objectives; the first of which is to work towards the promotion of literature and create a platform to initiate discourses on crucial contemporary issues, and the second objective is to create a repository of HR knowledge by soliciting articles from industry veterans and academicians, and publishing these in the form of an annual journal called Kaustubham. Following is the list of activities undertaken by the committee over the course of the year in pursuit of its objectives.

• Paridrishya: Crucial Discourse – It is an event where personalities from the field of literature or performing arts are invited to have a panel discussion and enrich the discourse on a chosen topic.
• Abhyudaya: The Ed-Talk – It is the launch event for the annual journal Kaustubham; it also serves as a platform to invite personalities from the fields of literature, art and industry to deliver a talk to the student community at TISS.
• Yearbook: The committee also brings out the yearbook for the graduating batch.
THE DREAM TURNS SILVER AND GROWS...

1956: This day is in the Dream Centre.
A large place on the grounds of a large
an institution which received a large
 expanses of the biennia.
Nations among them, the national and the modern
Existence by the national and the biennia.

1946: Prime Minister Jawaharlal Nehru
presents over the Asian age
celebrations.

1944: TISS becomes a Delhi University.
The Discipline in Social Service Administration
(Dip. SSA) becomes an M.A. in Social Work.

1962-1982:
Prof. M.S. Gore, as Director, focuses
on developing social science research
and introducing research units.

1967: The Social Work specialization in Labour
Nations & Industrial Relations emerges when
the Centre's focus was on labour
research.

1970-1980:
The first research on the Child and Family Research
focuses on the importance of
work with support from the USAID. Subsequently, several other
research units are set up in various areas.

Between 1970 and 1980,
PLACEMENTS
The placement process consists of the following stages

1. **Pre-Placement talk**
   The companies are invited for a Pre-Placement Talk for the batch. This aids the students in making an informed choice regarding the organization.

2. **Student resumes and short listing**
   The companies are provided with the option of circulating their customized application forms amongst candidates, or accepting resumes from interested candidates.

3. **Slotting Process**
   The batch ranks the companies based on their order of preference. The companies are then informed about their respective slot for placements.

4. **Recruitment process**
   The companies intimate the Placement office about the following details in advance:
   - Process of selection (Preliminary Test, GD, Interview, Case etc.)
   - Number of rounds of the GD and group size
   - Number of rounds of Interview
   - Approximate duration of the GDs and interviews

Note: The Placement Committee, in consultation with the student body and the faculty, arrives at the norms of the placement process. The committee reserves the right to modify any such norms that are in the overall interest of the candidates participating in the process. In the event of any conflict in the interpretation and implementation of the norms, the decision of the Placement Committee shall be binding on the students and the companies.
## Final Placements 2020-2022
