

ADMISSION 2021-23

ADMISSION PROCESS FOR STAGE 2 : ONLINE ASSESSMENT (OA)

As you are aware that due to continuous surge in the COVID-19 cases in all part of the country and in order to ensure the safety and health of candidates, the computer based Programme Aptitude Test / Management Aptitude Test (PAT/MAT) as part of the Stage II of the selection process scheduled on 20-06-2021 across the country was cancelled.

In view of the above and to complete the MA Admission 2021-23 the Institute has revised its admission process for MA 2021-23 which are given below;

1. Online Assessments (OA)

Online Assessment (OA) will be conducted for approximately 20 - 30 minutes by a three-member panel. Main objective of OA is to assess the candidates' suitability and interest in studies in chosen programme. There will be two components in OA as below;

a. Extempore reflection on a given topic

Panel member will give a topic relevant to the programme of study and candidate will be asked to present a reflection on the same for a maximum of 2-3 minutes. Candidates will have the option of asking for a second topic in case not comfortable with the one given at the beginning. There will not be a third choice.

b. Online Personal Interview (OPI):

The panel members will interact with the candidate to understand the candidate's motivation, interest and preparedness as well as basic subject knowledge of the undergraduate studies. Candidates understanding of social and economic factors will also be explored through OPI. These are only indicative areas of exploration at the OPI.
