Salary: INR 40,000 per month

Project Leaders: Prof. Shubhada Maitra, Dr.Lata Das & Dr.Saigita Chitturu

Type of Contract: Temporary / Project staff

Tenure of the Project: 2 years

Location: Mumbai

About the project:

Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB PM-JAY) launched in 2018 by the Govt. of India, has enhanced access to quality inpatient healthcare for the poor and vulnerable 40% of population of the country. To streamline the health service delivery and provide a seamless experience to the beneficiary, an Ayushman Mitra (AM) is intended to be placed at each Empanelled Health Care Provider (EHCP). A training programme to up-scale the skills, knowledge and attitude - of the Arogyamitras (AM's) working particularly in Ayushman Bharat Empanelled Cancer Hospitals has been designed and developed by TISS. The training will basically help AMs understand the basics of the Oncology, its epidemiology, psychosocial issues of patient, their family, aspects of cancer management, care & support involved. This project is a partnership between TISS, NHA and Pfizer, India.

Job Profile

- Managing day to day work of the project

- Managing online platform including uploading curriculum, course material, assignments etc
- Providing back-end support for login, access and other technical issues faced by users
- Generating relevant reports and sharing with the project team
- Training the users to use the online platform
- Coordinating and liasoning between TISS, NHA, Pfizer and other bodies of the project
- Conducting baseline, midterm and end evaluation of the project
- Collecting quantitative and qualitive data, analysing and writing reports
- Coordinating with the participants, keeping track of their attendance, assignment submissions, exams etc.
- Travelling, paying visits to the cancer hospitals, monitoring the project in and out of Mumbai
- Reviewing the status of the programme regularly and sharing feedback about the same with the project team
- Managing academic, administrative and financial processes for implementation of the project
- Any other tasks assigned by the project leader/s
