

## CERTIFICATE IN COMPREHENSIVE SEXUALITY EDUCATION AND EFFECTIVE FACILITATION

### Are you an Educator, Counsellor, Coach or Parent who works with adolescents?

Are your young adults struggling with peer pressure, gender related issues or discrimination? Can they seek help when faced with body image issues, bullying, sexual harassment and abuse? Are they equipped to make informed choices with respect to friendships, love, relationships, sexual behaviour and sexual health?

Have you struggled with 'Sexuality Education'?

If these are questions you are really keen to explore and learn more about, apply now for the intensive experiential 480 hours programme by Seeds of Awareness in collaboration with Centre for Lifelong Learning, Tata Institute of Social Sciences, Mumbai

Learn how to create safe spaces for adolescents to hold Comprehensive Sexuality Education (CSE) programs with them. Become an effective facilitator by learning from the experts of the field, followed by supervised practice during fieldwork.
