About Tata Institute of Social Sciences

The Tata Institute of Social Sciences (TISS), a multi campus, community engaged Public University, established in 1936 as the Sir Dorabji Tata Graduate School of Social Work in Mumbai, aimed to create human service professionals to address the issues of unemployment and poverty in the context of the great depression of the 1930s.

The Institute was renamed as ‘Tata Institute of Social Sciences’ in 1944, and on 29th April, 1964 the Government of India declared TISS as ‘Deemed to be a University’ under Section 3 of the University Grants Commission (UGC) Act, 1956. It has been graded as a Category I Deemed to be University in the year 2018 as per the UGC categorization of Deemed to be University under UGC Regulations, 2018. TISS has four campuses located in Mumbai (Main campus and Naoroji campus), Tuljapur (established in 1986), Hyderabad and Guwahati (both established in 2011). The Institute also offers teaching, training, research and development support from its centres at Chennai, Tamil Nadu, (2012), Patna, Bihar (2015), and Chuchuyimlang, Nagaland (2015).

The vision of the Institute is to stand out as an institution of excellence in higher education that continually responds to the changing social realities through the development and application of knowledge towards creating a people-centred, ecologically sustainable and just society that promotes and protects the dignity, equality, social justice and human rights for all.

TISS occupies a unique position among the higher learning institutions in the country. In 2002, the National Assessment and Accreditation Council (NAAC) awarded the Tata Institute of Social Sciences with a 5-star rating and reaccredited it as ‘A’ Grade institution in 2010. In its assessment cycle of February 2016, NAAC for the third time, awarded TISS a score of 3.89 out of 4.00, the second highest score among the accredited universities. Currently the institute stands out as a Grade I University bearing Letter Grade A++ with a NAAC score of 3.89/4 and National Institutional Ranking Framework (NIRF, 2022) rank of 60 among the Indian universities and 99th rank among the overall 200 higher educational institutions accredited by NAAC. At the global level QS I-Gauge has rated TISS with Diamond rating and the World University Rankings has ranked TISS among the top 200 universities for Sustainable Development Goals (SDGs) - 1, 5, 10 and among the top 300 for SDGs - 7, 9, 12, 16 and 17.
School of Skill Education (SSE)

The School of Skill Education was set up to impart skill education to millions of youth in India by training/skilling them in core industrial relevant job competencies through appropriately designed (market oriented) skill educational programmes with the vision to create sustainable sources of income that would promote better employability, better livelihood, a brighter future and subsequently contribute to the economy of the nation.

Each of the Bachelor’s programmes offered is a direct outcome of India’s recognition of the importance of skilling the youth to meet the industrial demands for skilled workforce. These programmes incorporate the skill sector specific job roles and their corresponding National Occupational Standards (NOS).

The curriculum focuses on a holistic education that integrates general/skill knowledge and job-specific skills through a combination of classroom sessions (for general education and domain knowledge) and practical skill training, a unique, distinctive learning/skilling pedagogy of TISS SSE. The on-the-job skill training (OJT) is conducted at the real shop floor of the active/leading industries and companies. The internship embedded work while you learn training provides the students a meaningful experience and the opportunity to earn a modest stipend in selected skill sectors by fulfilling the required terms and conditions.

Programmes Offered

In the academic year 2024-25, the School of Skill Education offers 34 Bachelor Programmes, 6 Diploma Programmes, and 18 Post Graduate Diploma Programmes conforming to UGC guidelines. Every individual year of the 3-year degree programmes is a stand-alone certification aligned with the National Skills Qualification Framework (NSQF)/National Credit Framework (CrF) at levels 4.5 for the first year, 5 for the second year and 5.5 for the third year, all awarded by TISS SSE and recognized across national and international universities. On completion of the programme opted for, a student is work ready to take up a job of her/his choice that suits the knowledge, skills and aptitudes acquired/possessed or become entrepreneurs in her/his field of interest/expertise and contribute to the growth of our country’s economy.

The academic-cum-skill learning progression with multiple entry and multiple exit (ME-ME) pathways of the Bachelor’s programmes is illustrated below:
